IN FAVOR	OPPOSED	ADDRESS -- NUMBER & STREET	PRINT NAME	SIGNATURE

Each petition **must** include a **specific parking restriction** and should be reviewed and approved by MCDOT **prior** to circulating the petition. All occupied households **must indicate** with a check mark either "**in favor**" or "**opposed**" to the parking restriction. All addresses including corner properties facing an intersecting street must be listed; vacant properties should be noted. In cases where a signature cannot be obtained, (e.g. home is vacant, resident rarely home), please note this on the petition. Only one signature per household will be counted. A two-thirds majority "in favor" is required to install/modify the parking restriction.
