

Climate Change Non-Departmental Account

FY24 Reporting

In May 2023, County Council approved reporting language in its Operating Budget miscellaneous provisions of Resolution 19-472 with regards to the Climate Change NDA:

This resolution appropriates \$486,500 to the Climate Change Planning Non-Departmental Account (NDA). Funds in this NDA must be used to implement the County's Climate Action Plan to meet the County's goal of an 80% reduction in greenhouse gas emissions by 2027 and a 100% reduction by 2035, and to implement climate change adaptation strategies. The Executive must transmit within 15 days after the end of each month a report on the previous month's expenditures from this account.

FY24 Climate Change NDA expenditures reporting:
