Provides free mammograms, clinical breast exams, and pelvic exam/pap tests to low income uninsured women 40 to 64 years old who are Montgomery County residents. The program is for low income families who are uninsured. Proof of residence in Montgomery County and proof of income is requested. The resident needs to have lived in the County for at least 6 months to be eligible. Application review and approval process takes two weeks, provided that all documentation is approved.

### **YMCA of Metropolitan Washington Diabetes Prevention Program (YDPP)**

1112 16<sup>th</sup> Street, NW

Washington, DC 20036

301-585-2120 (V)

E-mail: [dpp.ymca@ymcadc.org](mailto:dpp.ymca@ymcadc.org)

[www.ymcadc.org](http://www.ymcadc.org)

Participants in the YMCA's Diabetes Prevention Program meet in a classroom setting as a group with a trained YMCA lifestyle coach for 16 weekly core sessions. During the sessions, they learn how to make healthier food choices, how to incorporate more physical activity into their daily routine and how to manage a healthy weight. After the initial 16 core sessions, participants meet monthly for added support to help them maintain their progress.
