Call-n-Ride (CNR) Program – Montgomery County Department of Transportation

County and State subsidized transportation program designed as a supplement to Montgomery County's local transportation services. The program provides monthly transportation subsidy to eligible low income adults 63+ and persons with disabilities (18 to 62 years old), to utilize private taxicab services. The transportation is a curb-to-curb service, and trips may be made for any purpose within Montgomery County. Special exceptions have been made to allow transportation to certain approved medical facilities in designated locations. Participants are eligible to receive up to \$120 value on their electronic swipe cards each month, which can be used towards taxicab rides. Subsidy assistance is provided on a sliding fee scale determined by total household income. Applications are available online. Medical certification of disability is required for ages 18 to 62. Once you are registered, you can log in online to add value to your Call-n-Ride (CNR) swipe card by paying with credit card or by sending in a check or money order by mail. There are a limited number of wheelchair accessible taxicabs in Montgomery County. It is recommended that participants requiring a wheelchair accessible vehicle make their reservation with a taxicab company 24 hours or more in advance. CNR participants schedule their trips with a taxicab company by providing their name, CNR swipe card, and pick up and drop off information.
