Military and Veteran Caregiver Network (MVCN) – American Red Cross

Email: info.mvcn@redcross.org
www.redcross.org/caregivers

The MVCN serves caregivers of all eras, stages of life, and relations, across all locations. Caregivers play a vital role in supporting the recovery, rehabilitation, and reintegration of wounded, ill, and injured military servicemembers and veterans. The people who fill this role include: spouses/partners; parents; siblings; children; family members; friends; and battle buddies. **Caregiver Calendar** provides information & registration for events, webinars, trainings, workshops, educational opportunities, caregiver peer support groups and more. **Hero Care Resource Directory** features over 800 resources for every zip code in America, searchable with military and veteran caregiver filters and updated regularly to reflect the most current services. **Online Peer Support Community** is limited to vetted caregivers via safe, secure technology and features peer-moderated groups, discussions, topics and chats that are accessible via computer and mobile devices. Provides crisis interventions and referrals for caregiver members in distress. The **Peer Mentor Support Program** matches trained mentors with caregiver mentees for one-on-one mentorships. Offers mentees positive models of caregiving, companionship and support by mentors with similar "lived experiences". Trains caregiver mentors in communication skills, accessing resources, and making referrals as well as the role of a peer in crisis. Peer Support Groups (Online and Community-Based) are offered weekly at times convenient for caregivers (including weekends and evenings). Facilitated by trained caregiver peer facilitators and structured to observe confidentiality and offer mutual respect.

U.S. Department of Veterans Affairs Caregiver Support Program

www.caregiver.va.gov

202-745-8000 x 55926 (DC VA Medical Center)
410-605-7000 x 54143 (Baltimore VA Medical Center)

Program of General Caregiver Support Services (PGCSS) provides resources, education and support to caregivers of Veterans. The Veteran does not need to have a service-connected condition, for which the caregiver is needed, and may have served during any era. Caregivers who enroll in PGCSS have access to education and training, including courses at local VA medical centers (VAMCs). In addition, caregivers can participate in support services and take advantage of VA home and community-based care. The **Program of Comprehensive Assistance for Family Caregivers (PCAFC)** offers enhanced clinical support for Family Caregivers of eligible Veterans. Veterans may be eligible for this clinical program if they sustained or aggravated a serious injury or illness in the line of duty in the active military, naval or air service during any service era. Veterans can designate one (1) Primary Family Caregiver and up to two (2) Secondary Family Caregivers on the application. Secondary Family Caregivers serve as a backup support to the Primary Family Caregiver when needed. Services will depend on whether you are the Primary Family Caregiver or a Secondary Family Caregiver. If you are the primary caregiver, you may receive: a monthly stipend (paid directly to you as the caregiver); access to health care insurance through Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA), if you do not already have health insurance; mental health counseling; certain beneficiary travel benefits when traveling with the Veteran to appointments; and at least 30 days of respite care per year, for the Veteran (respite is short term relief for someone else to care for the Veteran while you take a break). If you are the secondary caregiver, you may receive: mental health counseling as it relates to the care of the Veteran; and certain beneficiary travel benefits when traveling with the Veteran to appointments.

VA National Caregiver Support Line

www.caregiver.va.gov/help_landing.asp

1-855-260-3274 (Toll Free)

Licensed social workers will be available to answer your questions, listen to your concerns, and directly link you to the Caregiver Support Coordinator at your local VA Medical Center. Each Caregiver Support Coordinator can locate assistance tailored to your unique situation. For direct services, call the Washington DC VA Medical Center and ask for the Caregiver Support Coordinator in the Social Work Department.
