

MILL CREEK SOUTH PHASE I RESURFACING PROJECT

Rockville, MD

PURPOSE

This newsletter is to inform you of the upcoming road resurfacing of Mill Creek South Phase I. Please see the reverse side of this newsletter for the project map. This project will consist of patching and milling/resurfacing the existing pavement. This pavement system preservation project employs long term strategies to improve roadway conditions.

SCHEDULE

This project is scheduled to start in March and will take four to six weeks to complete, weather and other operational requirements permitting. Work hours will be between 7am and 5pm, Monday through Friday.

IMPACTS

No parking signs may be posted in advance of resurfacing on your street. You will have access to your driveway and street throughout the duration of the project. Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.
