

ROCKVILLE PIKE SERVICE ROAD RESURFACING PROJECT

Bethesda, MD

PURPOSE

This newsletter is to inform you of the upcoming resurfacing of Rockville Pike Service Road. Please see the reverse side of this newsletter for the project map. This project will consist of milling, patching, and resurfacing the existing pavement. This pavement system preservation project employs long term strategies to improve roadway conditions.

SCHEDULE

This project is scheduled to start in April and will take 10 calendar days to complete, weather and other operational requirements permitting. Work hours will be between 7:00 AM and 4:00 PM Monday through Friday.

IMPACTS

No parking signs may be posted in advance of patching on your street. You will have access to your driveway and street throughout the duration of the project. Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.

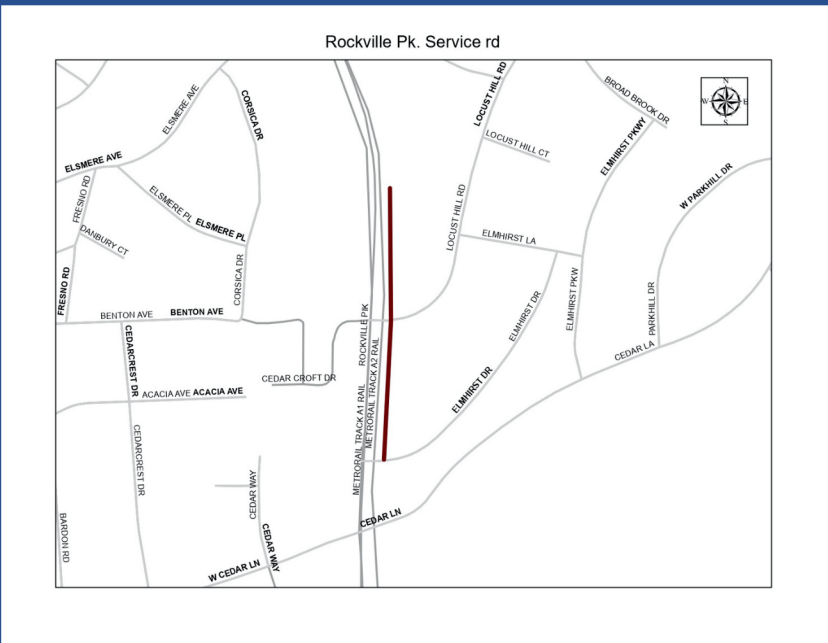

SHOULD THE POLICE TOW YOUR VEHICLE, CONTACT THE POLICE NON-EMERGENCY NUMBER (301-279-8000)
