COMMUNITY MEETING

MD 650 (New Hampshire Avenue) High Injury Network Pedestrian Safety Improvements

Thursday, April 11, 2024 from 6:30pm to 8:30pm at Roscoe Nix Elementary

The Montgomery County Department of Transportation (MCDOT) is hosting a community meeting to discuss preliminary designs for installing sidewalk and pedestrian safety improvements recommended by the MD 650(New Hampshire Avenue) High Injury Network (HIN) safety study. MCDOT encourages you to attend, share your input, and provide suggestions that may better reflect your community’s needs.

PLEASE REGISTER TO ATTEND THE MEETING BY SCANNING THE QR CODE. For more information, please visit:
