

## Decatur Avenue Sidewalk Project

Project to Begin between March 28th, weather permitting.

### PURPOSE

This newsletter is to inform you of the upcoming sidewalk installation on the south side of Decatur Avenue from existing sidewalk at 3900 Decatur Avenue to Connecticut Avenue.

Please see Project Map located on the reverse side of this newsletter.

### BACKGROUND

The Sidewalk Program is a section of The Montgomery County Department of Transportation's (MCDOT) Division of Transportation Engineering (DTE). The Decatur Avenue sidewalk was proposed to the impacted and neighboring residents on or about June 29, 2021 and was the subject of a Public Hearing on September 29, 2021. On January 5, 2022, the Recommendations approving the sidewalk installation were signed by Director, Christopher Conklin.

### SCOPE OF PROJECT

A 5-ft-wide concrete sidewalk with a 2-ft-wide greenspace will be constructed on the south side of Decatur Avenue.

### SCHEDULE

This project is scheduled to tentatively begin between Monday, March 28, 2022. Weather permitting, the project will take 2 to 3 weeks to complete. Work hours will be between 7am and 5pm, Monday through Friday.

2. **Markings in Right of Way & No Parking Signs** - Sidewalk locations will be marked out in white paint in the public right-of-way. No parking signs will be erected along the limits of sidewalk installation.

3. **Excavation for Setting of Sidewalk Forms**— The excavation will begin for sidewalk construction and the placement of concrete forms for the pouring of concrete sidewalk, lead-walks and driveway aprons, if applicable.
4. **Pouring of Concrete**— Once concrete has cured, the forms will be removed and topsoil, seed and straw will be added to backfill to meet with existing grade.

5. **Sealant** - A sealant will be sprayed upon sidewalk and driveway aprons to preserve and protect the sidewalk from harsh winter chemicals.

BEFORE:

AFTER:

Access to residences will be available, however minor delays may be experienced.

*We apologize in advance for any unavoidable inconvenience and thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.*

**IF THE POLICE TOW YOUR VEHICLE, PLEASE CONTACT THE POLICE NON-EMERGENCY NUMBER: (301-279-8000).**

**QUESTIONS OR CONCERNS:**

Please contact the Inspector on Site or Lori Jean Main, Planning Specialist, at [Lori.Main@montgomerycountymd.gov](mailto:Lori.Main@montgomerycountymd.gov) or

### PROJECT WORK PLAN

Generally, the work will proceed as follows:

1. **Tree Removal**— The trees that are slated for removal will be removed tentatively beginning March 28, 2022. Construction may take place simultaneously. No parking signs will be placed around the subject trees prior to removing.

# NOTICE OF SIDEWALK INSTALLATION DECATUR AVENUE

## SAFETY NOTICE

Please drive gently and safely through the work site and kindly remember that while installation work is underway, personnel and construction vehicles will be moving around the site. Some materials may be stored in the area. Please use caution when walking or driving through the construction zone. Children may be attracted to the noise and machinery, so we ask that you please keep all children under close supervision at all times, even after the work is completed for the day. Also, please follow the direction of flagmen and temporary signs and traffic control devices. We appreciate your patience and cooperation. *If, for some reason, you have a medical condition that could be potentially impacted by the construction activities, please alert the below-listed Inspector.*
