Rock Creek Manor Community Sidewalk Proposal APPROVED

Dear Residents:

After a complete review of the Record and Public Hearing Officer's Recommendations for the Rock Creek Manor Community Sidewalk Proposal, Christopher Conklin, the Director of the Montgomery County Department of Transportation (MCDOT), has approved and authorized the installation of the following proposed sidewalks:

- the west side of **Parkvale Road** from **Manorfield Road** to **Manorvale Court**. A 5-foot-wide concrete sidewalk with a zero to three-foot variable greenspace will be constructed and as proposed as a Safe Route to Schools.
- the east side of **Manorvale Road** from **Manorvale Court** to **Russett Road**. A 5-foot-wide concrete sidewalk with a zero to three-foot variable greenspace will be constructed as proposed as a Safe Route to Schools.
- the south side of **Greenspan Lane** from **Bauer Drive** to **Parkvale Road**. A 5-foot-wide concrete sidewalk with a zero to three-foot variable greenspace will be constructed as proposed as a Safe Route to Schools.

Enclosed, please find the Hearing Officer's Recommendations approved by Director Christopher Conklin on December 2, 2022. Weather permitting, construction is anticipated to begin in the Spring of 2023. A detailed construction notice will be sent once a specific construction start date has been identified. In addition, MCDOT will delineate the excavation site and post signs prior to starting construction. An inspector will be on-site and available throughout the entire construction process to address any concerns you may have. If you have any questions, please feel free to contact Lori Jean Main at Lori.Main@montgomerycountymd.gov.

Thank you for your consideration and assistance throughout our process. I am confident the new sidewalks will provide safer access for the entire Rock Creek Manor community.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert Gonzales".
