

FLASH

GET THERE IN A FLASH!

Better bus service coming your way.

Flash operates on Colesville Rd/Columbia Pike (US 29) from Silver Spring Transit Center to Briggs Chaney and Burtonsville with stops along the way. It runs every 15 minutes all day and more frequently during rush hour.

FLASH IS GREAT BECAUSE:

Faster Travel - Frequent Service, Fewer Stops

Quick boarding at all doors. Easy entry for wheelchairs, strollers and bicycles

Stations include weather protection, real-time transit information, seating and lighting

Safe access to stations

Buses communicate with traffic signals to keep moving

Riding Flash keeps you active and healthier

Dedicated bus lanes where feasible, reducing delays

Riding Flash instead of driving a car can save you money

Better for the environment
