

Sick & Safe Leave Guidance for Employers with Workers in Montgomery County

As of February 11, 2018, employers with workers in Montgomery County must be aware of both state and local laws pertaining to Sick and Safe leave for their employees. The State law does not preempt the County law, except where the State law provides for sick and safe leave benefits that are more generous than the local law.

This document is intended to help employers understand which provisions of the law apply to employees working in Montgomery County. Ultimately, however, it is incumbent on employers to have a full understanding of both laws so that they understand which provisions apply to them specifically.
