

MEMORANDUM

March 31, 2017

TO: County Council

FROM: Amanda Mihill, Legislative Attorney *AMihill*

SUBJECT: **Introduction:** Bill 6-17, Technical Corrections

Bill 6-17, Technical Corrections, sponsored by Lead Sponsor County Council, is scheduled to be introduced on April 4, 2017. A public hearing is tentatively scheduled for April 25 at 1:30 p.m.

Bill 6-17 would correct technical, typographical, grammatical, and codification errors in, and makes stylistic, clarifying, and conforming amendments to, several provisions in County law. This bill represents an accumulation of technical and stylistic errors that individually were not significant enough to warrant separate corrective legislation, but which now cumulatively justify a technical corrections bill. This legislation is a result of the continuous vigilance and technical skills of Tammy Seymour of the County Attorney's Office, who is responsible for editing the County Code.
