LEASE AGREEMENT

THIS LEASE AGREEMENT (the “Lease”), entered into this 6th day of May, 2022 by and between the HYPNOS SOLUTIONS, LLC, successor-in-interest to 2301 RESEARCH, LLC, having an address of 1400 W. Lombard Street, PMB 323, Baltimore, Maryland 21223, (hereinafter referred to as “Landlord”), and MONTGOMERY COUNTY, MARYLAND, a body corporate and politic and a political subdivision of the State of Maryland (hereinafter, “County” or “Tenant”), (Landlord and County each known as a “Party” and together as the “Parties”).

WITNESSETH:

In consideration of the rent hereinafter reserved, and the covenants hereinafter contained, the Parties hereto mutually agree as follows:

1. PREMISES: Landlord does hereby lease and demise unto the County and the County hereby leases from the Landlord the premises described as Suite 106 comprising 3,440 rentable square feet of space (“Leased Premises”) on the first floor of the building, located at 2301 Research Boulevard, Rockville, Maryland 20850 (“Building”), in its “as-is” condition and as outlined on “Exhibit A” attached hereto and made a part hereof.

2. TERM: The Term of this Lease shall be eleven (11) years and one (1) month, commencing as evidenced by use and occupancy approval from the City of Rockville estimated to be on or about October 1, 2022. (the “Lease Commencement Date”). The Parties agree to enter into a Certificate of Commencement attached hereto as Exhibit D.

3. OPTION TO RENEW: (i) Provided that Tenant is still in occupancy of the Leased Premises and is not in default of the Lease, Tenant shall have the Option to Renew this Lease for two (2) additional five (5) year terms (“Extension Term(s)”) at the end of the initial Lease Term with no more than twelve (12) months and no less than nine (9) months prior written notice per extension term. Tenant’s extension rental rate shall be the prevailing market rate and shall include other market concessions for comparable office buildings in the North Rockville/Shady Grove submarket.

(ii) In the event County shall wish to exercise the option to extend, it shall request in writing (“Term Renewal Request”) from Landlord, a quote of the Base Annual Rent for the Extension Term not less than twelve (12) months prior to the expiration of the initial term of the Lease or the first Extension Term, as the case may be. Within ten (10) days

after such Term Renewal Request, Landlord shall give County written notice of such quote. County shall then have thirty (30) days after the date of Landlord's notice in which to exercise such extension option by written notice to Landlord accepting the Base Annual Rent quoted by Landlord, or stating that County is exercising the extension option and wishes to have the Base Annual Rent for the extension term determined by the MAI Appraiser Process. In the event that County does not exercise the option or provide Landlord with a written response within said thirty (30) day period the extension option shall terminate and Landlord shall be relieved of any and all liability created by the grant of such option. The option to extend granted hereby may not be assigned or transferred by County.

(iii) If County elects to have the Base Annual Rent for the Extension Term determined by the MAI Appraisal Process, then the fair market rent for the first lease year of the applicable Extension Term shall be independently determined by two (2) disinterested real estate appraisers, one (1) of whom shall be named by Landlord and one (1) by County. Said appraisers shall each be practicing appraisers in Montgomery County, Maryland, specializing in the field of commercial real estate, having no less than ten (10) years' experience in such field, recognized as ethical and reputable within their field, and certified as MAI or an equivalent professional certification if MAI no longer exists. Landlord and County agree to make their appointments promptly within thirty (30) days after Landlord's receipt of County's notice to extend, or sooner if mutually agreed upon. Within forty-five (45) days after both such appraisers have been appointed, each appraiser shall submit his or her determination of said fair market rent. The Base Annual Rent for the first lease year of the applicable Extension Term shall be the average of the two (2) determinations; provided, however, that if two of the appraisers are not within ten percent (10%) of each other, then the two (2) appraisers shall select a third appraiser with the qualifications described above within ten (10) days after submitting their determinations of the fair market rent. Within forty-five (45) days after the third appraiser is selected, such appraiser shall submit his or her determination of said fair market rent. In such event, the Base Annual Rent for the first lease year of the applicable Extension Term shall be the average of the third appraiser's determination and the determination of the other two (2) appraisers which is closest to the third appraiser's determination. In arriving at their

individual rate determinations, each appraiser shall consider and analyze all the components of the Lease and apply them to current market factors. Landlord and County shall pay the fee of the appraiser selected by it and if a third appraiser is used, they shall equally share the payment of the fee of the third appraiser. Notwithstanding the foregoing, Landlord and County may at any time after appointing the appraisers, agree upon the Base Annual Rent payable during the first lease year of the applicable Extension Term and such mutual agreement shall supersede the appraisers' determinations.

4. RENT:

(a) Subject to Landlord's abatement of Base Monthly Rent described in subparagraph 4(d) below, commencing on the Lease Commencement Date, the County shall pay to Landlord all Rent, inclusive of Base Monthly Rent, and its Proportionate Share of estimated Real Estate Taxes and Operating Costs (as hereinafter defined) in United States currency, without any deduction, set-off, notice, demand, in advance on the first day of each calendar month during the Lease Term.

(f) Survival. Regardless of the Lease Expiration Date or earlier end of the Lease Term, and except in the case of non-appropriation under Section 26, below, the County shall promptly and fully perform all its Lease obligations.

(g) Deposit. The County shall NOT pay a security deposit.

(h) Late Charge and Interest. Any Rent which is due on the first day of the month (e.g. Base Monthly Rent, estimated Real Estate Taxes and Operating Costs (both as hereinafter defined)) but which is not received by Landlord by the seventh (7th) day of the month shall be subject to a late charge of five percent (5%), it being understood that this does not extend the due date of the such Rent from the first day of each month. In addition, all Base Rent not paid within thirty (30) days after the due date and all other Rent and all other payments becoming due hereunder which is not paid on the due date shall bear interest at the rate of twelve percent (12%) per annum from the date when the same shall become due and payable.

5. OPERATING EXPENSES:

(a) Operating Expenses Defined. Throughout the Lease Term, County agrees to pay to Landlord, as Additional Rent, County's Proportionate Share, as set forth below, of any increase in operating expenses during each calendar year over the Base Year Operating Expenses (*i.e.*, the 2022 calendar year). "Operating Expenses" means for any calendar or fiscal year the sum of (i) Real Estate Taxes for such calendar or fiscal year plus (ii) all other commercially reasonable direct and actual out of pocket expenses Landlord incurs during such calendar or fiscal year for operating and maintaining the Building, determined in accordance with generally accepted accounting practices consistently applied, including, without limitation, costs and expenses for the following: (1) wages and salaries of all employees engaged in the management, operation or maintenance of the Building, including taxes, insurance and benefits relating hereto; (2) all supplies, materials, equipment and tools used in the operation or maintenance of the Building; (3) cost of all maintenance and service agreements for the Building and the equipment therein, including but not limited to controlled access and energy management services, window cleaning and elevator maintenance; (4) premiums for liability and casualty insurance; (5) general and

special repairs and maintenance; (6) management fees; (7) legal, accounting, auditing and other professional fees; (8) the cost of any additional services not provided to the Building at the Commencement Date of the Lease Term, but thereafter provided by Landlord in the prudent management of the Building; (9) reasonable reserves for replacements, repairs and contingencies; (10) costs for janitor service and cleaning supplies; (11) costs for utility services such as electricity, gas, water and sewage (including any costs incurred in changing the provider providing electricity services); and (12) the cost of any capital improvements or alterations made to the Building after the Commencement Date of the Lease Term, that reduce other operating expenses, or which are required under any governmental law or regulation that was not applicable to the Building at the time it was constructed shall be amortized (straight line) over the useful life of the improvement and such amortized costs falling within a calendar or fiscal year may be included in Operating Expenses for such calendar or fiscal year.

(b) Operating Expense Exclusions. "Operating Expenses" shall exclude all Landlord profits and all costs in excess of costs reasonably incurred by prudent operators and managers of similar office building in the Rockville, Maryland area. Landlord shall use commercially reasonable efforts to minimize Operating Expenses. Operating Expenses shall be net of any reimbursement, refund or credit received by Landlord for the corresponding item of Operating Expense. In no event shall Landlord recover from County more than an amount equal to Tenant's Pro Rata Share of One Hundred Percent (100%) of Operating Expenses. Landlord shall not recover more than the full actual cost of any item through Additional Rent or charges to other Building tenants. Landlord shall make no profit in connection with Operating Expenses nor shall Landlord recover any item of cost twice through Operating Expenses. The following items shall be specifically excluded from the Operating Expenses: (1) expenses for any capital improvements that were made to the Land or Building after the Lease Commencement Date that are not reasonably expected to reduce Operating Expenses; (2) expenses occasioned by fire, windstorm or other insured casualty to the extent Landlord is reimbursed by insurance for such loss; (3) advertising, commissions, tenant improvements and all other expenses incurred in leasing or procuring new tenants; (4) expenses for repairs or improvements to other tenants' leased space; (5) legal fees incurred in enforcing the terms of any lease or arising out of any

mortgage or ground lease affecting the Building; (6) interest, principal, rental, late fees or other costs of any indebtedness or ground lease; (7) the cost of any work or service performed for any tenant at such tenant's cost; (8) the cost of any work or materials performed or supplied to any facility other than the Building; (9) the cost of any items for which Landlord is reimbursed by insurance, any tenant or otherwise; (10) salaries, wages and benefits of Landlord's officers, directors, and employees above the level of Building manager; (13) the cost of installing, operating, maintaining or refurbishing any specialty service, such as an observatory, broadcasting facility, luncheon club, restaurant, retail store, sundry shop, athletic or recreational club or locker rooms, meeting rooms or lounges; (14) any charge for depreciation of the Building or equipment; (15) any tenant improvement allowance or other payment from Landlord to Tenant; (16) taxes excluded from the definition of "Taxes"; (17) bad debt losses or reserves therefore; (18) costs of selling, syndicating, financing, mortgaging, or hypothecating any of the Building or Land or Landlord's interest in the Building or Land; (19) expenses resulting from tortious conduct of Landlord, its employees, agents or contractors; and (20) any janitorial, HVAC and/or electrical expenses for the Leased Premises that Tenant pays directly to the Landlord or third (3rd) party.

(c) Controllable Building Expenses. All "Controllable" Building expenses shall be capped at a maximum of 5% annual increase. "Controllable Expenses" shall include those building expenses except the following non-Controllable Expenses: real estate taxes, insurance, utilities, government-required Building modifications and snow removal. If the Building does not have at least ninety-five percent (95%) of the rentable area occupied at any time during the base year or any subsequent year, then the base for Operating Expenses and Real Estate Taxes shall be increased to reflect what such costs would have been if they had been calculated on the basis of ninety-five percent (95%) Building occupancy and full property tax assessment.

(d) Annual Reconciliation of Operating Expenses. After the end of each calendar year, Landlord will, as soon as practicable, submit to County, a statement of the actual increases incurred in operating expenses for the preceding calendar year over the Base Operating Expenses. County shall pay Landlord, within sixty (60) days of County's receipt of such statement, County's Proportionate Share of the excess, if any, of County's Proportionate

Share of the actual operating expense increases over the amount paid by County during the previous year as its Proportional Share of the projected operating expense increases. If the amount paid by County during the previous year exceeded County's Proportionate Share of actual operating expense increases for the year, the excess shall be credited toward payment of the next installment of Base Monthly Rent to be paid by County after County receives said statement from Landlord. If the amount paid by County during the last calendar year of the Lease Term exceeds County's Proportionate Share of actual operating expenses increases for such year, Landlord shall credit the County for such amount (or pay county if term has expired).

(e) Operating Expense Request. Within sixty (60) days after receipt of Landlord's statement showing actual figures for the year, County shall have the right to request a statement of operating expenses of the Building prepared by Landlord's certified public accountant and copies of real estate tax bills, which shall be supplied to County within a reasonable time after County's written request. If it shall be determined that there is an error in Landlord's statement, County shall be entitled to a credit for any overpayment.

(f) Right to Audit. In the event County shall dispute the correctness of Landlord's statement of County's Proportionate Share of Landlord's Operating Expense, County shall have the right to audit Landlord's books and records relating to the statement. County shall provide Landlord not less than twenty (20) days' notice of the date on which County's certified public accountant/auditor desires to examine Landlord's books and records during regular business hours, and Landlord shall cooperate with such auditor. If such audit shows that the amounts paid by County to Landlord on account of increases in such charges exceeded the amounts to which Landlord was entitled hereunder in accordance with the applicable provisions of this Lease, Landlord shall refund to County the amount of such excess within thirty (30) days of the date Landlord is notified in writing of the error. If such audit shows that the amounts paid by County to Landlord on account of increases in such charges were less than the amounts to which Landlord was entitled hereunder, County shall pay to Landlord the amount of such shortfall within sixty (60) days of the date County is notified of thereon. All costs and expenses of any such audit shall be paid by County, except if such audit discloses that the amounts paid by County to Landlord exceeded the amounts to which Landlord was entitled by more than three percent (3%), Landlord shall

promptly reimburse County for the reasonable costs and expenses incurred by County in such audit. County shall not be entitled to delay any payment under this Lease during the pendency of any such inspection.

6. REAL ESTATE TAXES; PROPORTIONATE SHARE DEFINED:

(a) Real Estate Taxes Base Year. Commencing with the first Calendar Year following the Base year and every Calendar Year thereafter, Landlord will forward to the County a statement and copies of paid tax receipts setting forth the amount of Real Estate Taxes (as hereinafter defined) levied or imposed against the Property of which the Leased Premises are a part. The County shall pay, as additional rent, upon receipt of the Landlord's statement and receipts, but in no event more than thirty (30) days after receipt of Landlord's statement and receipts, any increase in the said Real Estate Taxes over the Real Estate Taxes assessed against the Property of which the Leased Premises are a part during the "Base Year." The Base Year is defined to be the fiscal period from July 1, 2022 through June 30, 2023. The Landlord's statement must contain copies of Real Estate Tax billings for the Base Year as well as the tax year for which the payment is required.

(b) The term "Real Estate Taxes" shall mean all taxes and assessments, general and special, ordinary and extraordinary, foreseen and unforeseen, now or hereafter assessed, levied or imposed upon the Building, and the land on which it is built, including, without limitation, front foot benefit charges and adequate public facility costs and assessments, together with (i) any tax, assessment, or other imposition in the nature of a real estate tax, (ii) any ad valorem tax on rent or any tax on income if imposed in lieu of or in addition to real estate taxes and assessments, and (iii) any taxes and assessments which may hereafter be substituted for real estate taxes, including by way of illustration only, any tax, assessment or other imposition (whether a business rental or other tax) now or hereafter levied upon Landlord for County's use or occupancy of or conduct of business at the Leased Premises, or County's improvements to or furniture, fixtures or equipment in the Leased Premises. "Real estate taxes" shall also include all reasonable and verifiable costs incurred by Landlord in contesting the validity or amount of any such taxes.

(c) Tenant's Proportionate Share. The County shall pay to the Landlord said increased taxes and operating costs as additional rent for the County's proportionate share of the

building, which share is determined to be 3.64% within thirty (30) days after receipt of Landlord’s statement. The County proportionate share is computed as follows:

$$\begin{array}{rcl} 3,440 \text{ square feet leased} & & \\ \hline & & = 3.64 \% \\ 94,491 \text{ building square feet} & & \end{array}$$

7. TENANT IMPROVEMENTS:

(a) Description of Work. The County shall accept the Leased Premises in its “where-is” and “as-is” condition, with the exception that Landlord, at its sole cost and expense, shall perform, or cause to be performed, all modifications to the existing condition of the Leased Premises as described in Exhibit B and Exhibit C, attached hereto (the “Tenant Improvements”). The Tenant Improvements shall include, but no be limited to, all architectural, engineering and other professional fees, permit, expediting and construction fees and charges, impact fees and all construction costs. The Tenant Improvements shall be completed in accordance with the mutually agreed upon “Space Plan” and “Scope of Work” attached hereto and made a part hereof as Exhibit “B” and Exhibit “C” respectively, which the County has reviewed and approved as evidenced by its signature. The Tenant Improvements shall be constructed in accordance with all applicable American Disabilities’ Act (“ADA”) and fire, life and safety standards related thereto. The County shall notify Landlord of any construction deficiencies in the Tenant Improvements within thirty (30) days after the Lease Commencement Date, and Landlord shall promptly repair any such deficiencies. Landlord may deliver possession of the Leased Premises to the County subject to inconsequential punch list items to be completed after the Lease Commencement Date. Landlord shall deliver the Leased Premises to the County broom clean in compliance with applicable laws relating to the Tenant Improvements and with all systems existing as of the date hereof in good working order.

(b) Architectural Services for the Leased Premises. Landlord, at its sole cost and expense, has (or shall) provide architectural services required in connection with the final preparation of the Space Plan, Scope of Work and Construction Plans (as hereinafter defined). Within forty-five (45) days after execution of this Lease, Landlord shall furnish to the County completed construction drawings and construction specifications (the “Construction Plans”) reflecting the details as shown in the Space Plan and Scope of Work.

The County shall have thirty (30) days to approve (or provide objections to) the Construction Plans.

(c) Permits. The Landlord, at its sole cost and expense, shall be responsible for obtaining the construction permit and final inspections for the Tenant Improvements from the City of Rockville for the Leased Premises. If required, the County shall be responsible for obtaining the use and occupancy certificate, a copy of which shall be delivered to Landlord, and the County shall be responsible for any other permits or licenses necessary for its lawful occupancy of the Leased Premises.

(d) Change Orders. County shall pay for the cost of any change orders (“**Change Orders**”) that it causes (i.e., the County modified a build out prerequisite or requested changes to any CDs after County’s approval or deemed approval thereof). Except as provided in the preceding sentence, the County shall not be liable for any costs arising from Change Orders that occur as a result of regulatory oversight and/or omission (i.e., DPS, WSSC, ADA, etc.), and/or Landlord or its architect or engineer, or contractor error. No Change Orders shall be permitted without Landlord approval, which approval shall not be unreasonably conditioned, delayed or withheld. However, Landlord shall have the right to disapprove any proposed Change Order which may cause a material delay of the Tenant Improvements, but Landlord shall use commercially reasonable efforts to minimize delays in the Substantial Completion of the Tenant Improvements due to Change Orders.

(e) Early Access. Landlord grants permission to the County to enter the Leased Premises thirty (30) days prior to the Lease Commencement Date for the sole purposes of installing equipment, furniture, fixtures and related cabling therein, provided the County does not materially interfere with the completion of the Tenant Improvements. All such periods of early access shall be coordinated with Landlord and/or its agents and the general contractor.

8. PARKING: The County is allocated (for the entire Lease Term) up to three and eight tenths (3.8) parking spaces in the Building’s parking facilities per on thousand (1,000) square feet of rentable floor space in the Leased Premises. Parking is available on the surface parking lot on a non-reserved, unassigned basis at no cost to the County for the duration of the Lease Term. It is understood and agreed that Landlord assumes no responsibility and shall not be held liable for any damage or loss to any automobiles parked

in the Property's parking facilities or to any personal property located therein, or for any injury sustained by any person in or about such parking facilities unless such damage or loss results from the negligence or willful act of the Landlord, its agents or employees.

9. USE: The County covenants and agrees that the Leased Premises shall be used and occupied by the Montgomery County Government as general government offices, and for no other purposes. The County shall have the right to occupy and use the premises 24 hours a day, seven days a week.

10. PROPERTY DAMAGE AND LIABILITY INSURANCE

(a) The County agrees that it will not keep in or upon the Leased Premises any article which may be prohibited by the standard form of fire or hazard insurance policy, a certificate of which the Landlord will share with the County. In the event the County's occupancy causes any increase in the insurance premiums for the Leased Premises or any part thereof, then the County shall pay the additional premiums as Additional Rent as they become due, so long as the demand for such Additional Rent is substantiated by sufficient documentation. The foregoing shall not preclude County from using materials commonly used in a business office setting, or required by the County's use of the Leased Premises, provided that County properly uses, handles and disposes of the same in accordance with applicable Legal Requirements and the manufacturers' instructions with respect thereto.

(b) The County agrees to indemnify Landlord and save it harmless from and against any and all claims, actions, damages, liability and expense (including attorneys' fees and court costs awarded by a court of law) in connection with personal injury and/or damage to property arising from or out of any occurrence upon or at the Leased Premises, or the occupancy or use by the County of the Leased Premises, to such extent, of any negligent act or omission of the County. except to the extent of the negligence, wrongful acts or omissions of the Landlord, its agents, contractors or employees. Provided, however, that the Landlord provides to County prompt written notice of any and all claims under which

Landlord will rely on this indemnification. The County's liability under this paragraph is subject to, limited by, and contingent upon the appropriation and availability of funds, as well as the damage caps and notice requirements stated in the LGTCA, Md. Code Ann., Cts. & Jud. Proc. § 5-301, et seq; Md. Code Ann., Cts. & Jud. Proc. § 5-303, et seq. and Md. Code Ann., Cts. & Jud. Proc. § 5-509, and Md. Code Ann., Cts. & Jud. Proc. § 5-5A-02 (together the "**County Indemnification Statutes**"), all as amended from time to time. This indemnification is not intended to create any rights or causes of action in any third parties or to increase the County's liability above the caps provided in the County Indemnification Statutes, as applicable.

(c) Notwithstanding anything in this Lease to the contrary, the County further agrees that all personal property in the Leased Premises shall be and remain at the County's sole risk, and the Landlord shall not be liable for any damage to or loss of such personal property, except to the extent damage arises out of the wrongful acts, or omissions or willful misconduct of the Landlord, its agents, contractors or employees.

(d) The County shall deliver to Landlord a certificate of insurance in form and substance reasonably acceptable to Landlord evidencing the coverage hereinabove described within thirty (30) days from execution of this Lease. The County has the right to self-insure.

(a) The Landlord shall obtain and maintain, during the Lease Term (i) a policy of general liability insurance with limits of \$2,000,000 per occurrence, including fire, legal liability, contractual liability, products and completed operations, premises and operations, and personal injury, and (ii) \$1,000,000 per claim, or more, in automobile liability coverage, including owned and hired vehicles, if applicable. A certificate of insurance will be issued by Landlord to the County naming Montgomery County, Maryland, its elected and appointed officials, officers, consultants, agents and employees, must be included as an additional insured on an endorsement to Landlord's commercial general liability, if applicable automobile insurance and Landlord's excess/umbrella insurance policies if used to satisfy the Landlord's minimum insurance requirements under this lease, for liability arising out of this lease.

(b) The Landlord shall provide an All Risk Property Policy to protect against loss caused by the perils insured in the amount of 100 percent of the insurable value on a replacement cost basis of the Leased Premises and Property. The policy shall also endorse a demolition and clearing clause, extra expense and loss of use coverage.

(c) Landlord may, but is not obligated to, maintain such other insurance and additional coverages as it may deem necessary, including, but not limited to, flood, environmental hazard and earthquake, loss or failure of building equipment, errors and omissions, rental loss during the period of repair or rebuilding, workers' compensation insurance and fidelity bonds for employees employed to perform services and insurance for any improvements installed by the County or that are in addition to the standard improvements customarily furnished by Landlord without regard to whether such are made a part of the Property. All such insurance shall be included as part of the Operating Expenses. The Property may be included in a blanket policy (in which case the cost of such insurance allocable to the Property will be determined by Landlord based upon the insurer's cost calculations).

(d) The Landlord will indemnify the County and save it harmless from and against any and all claims, actions, damages, liability and expense in connection with loss of life, personal injury and /or damage to property arising from or out of any occurrence upon or at

the Leased Premises, or the occupancy or use by the Landlord of the Leased Premises or any part thereof including exterior areas, to the extent caused by any wrongful act or omission, or willful misconduct of the Landlord, its agents, contractors, or employees. excepting claims arising out of the acts or omissions of the County or its agents, employees, or invitees. Provided, however, that the County provides to Landlord prompt written notice of any and all claims under which County will rely on this indemnification. The Landlord shall indemnify the County against any penalty, damage or charged incurred or imposed by reason of the Landlord's violation of any Legal Requirement. If the County brings a claim against Landlord under this Section 10 and prevails on such claim, Landlord shall pay the reasonable attorneys' fees incurred by the County in such claim as such fees may be awarded by a court of law.

11. ACCESS: County will allow Landlord or Landlord's agents to have access to the Leased Premises at all reasonable times and upon reasonable notice to County (except in the event of emergency, in which event no advance notice shall be required, and Landlord shall provide County notice of its access as soon as is practicable under the circumstances) for the purpose of inspection, or for the purpose of performing any maintenance and repairs Landlord may consider necessary or desirable; or for the Landlord to show the Leased Premises to prospective Tenants during the 12 months preceding expiration of the Lease term and to prospective purchasers and mortgagees at all reasonable times upon reasonable notice to County; provided, however, Landlord shall not interfere with County's use of the Leased Premises. Landlord shall provide controlled access to the front and rear entrances to the building, and at least one elevator after normal full service building hours.

12.
