WHEREAS, the County is a party to a certain License and Rental Agreement dated September 27, 2000, with BRI THE POINT LIMITED PARTNERSHIP, predecessor in interest to Landlord, (hereinafter referred to as the "Original Agreement"), under which Original Agreement the County operates a wireless communications facility at the Property; and

WHEREAS, the County has identified the Property as a desirable location for the continued operation of a County wireless communications facility; and

WHEREAS, the purpose of this Agreement is to permit the County to lease the Property in order to install, operate and maintain a wireless telecommunications facility ("**Communications Facility**"); and

WHEREAS, the Parties agree that the Original Agreement shall terminate upon the commencement date of this Agreement as defined in Paragraph 3 (a) below.

NOW THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties hereto covenant and agree as follows:

1. Leased Premises and Use:

(a) Landlord leases to the County a portion of the Property, which is more particularly described and illustrated in **Exhibit B**, attached hereto and made a part hereof ("**Leased Premises**"). The County shall be permitted to install, operate and maintain at the Leased Premises antennas on the rooftop of the building located at the Property, together with an equipment shelter also to be located on the rooftop of said building.

(b) The Leased Premises shall be limited for use by the County for the purposes of installing, operating, maintaining, repairing, upgrading and replacing the communication equipment described in **Exhibit C** attached hereto and made a part hereof ("**Communications Equipment**") and installing utilities to provide utility service to the Communications Equipment ("Permitted Use"). As used in this Agreement, Communications Equipment will include antennas, cables, equipment cabinets, shelters, generators, fuel tanks and any and all structures and equipment needed to construct, operate or maintain the Communications Facility (defined above). The County is permitted to construct a security fence to secure the Communications Equipment at the Leased Premises, so long as said construction is in conformance with all applicable laws and Landlord is provided with access to the fenced in area.

2. Easement for Ingress & Egress to Leased Premises:

Landlord grants the County a non-exclusive easement for access at all times (24 hours/day, 7 days/week), on foot or by motor vehicle, including trucks, to access the Leased Premises from adjacent public right-of-way to the Leased Premises ("**Easement**"). County shall use reasonable efforts to ensure County's access to the Easement does not interfere with Landlord's tenants or occupants. The Easement granted by this Agreement is coterminous with the Lease and shall terminate upon termination or expiration of this Agreement. Landlord agrees to consider granting additional easements on the Property to the County that may be necessary to construct and operate the Communications Facility, which easements shall require the mutual agreement of the Parties and recording among the land records of Montgomery County.

3. Term and Commencement Date:

(a) This Agreement shall be effective as of the date of execution by both Parties (the "**Effective Date**"). The initial term of the Agreement shall be five (5) years ("**Initial Term**"). The commencement date for the Initial Term shall be the earlier to occur of: (i) the first (1<sup>st</sup>) day of the month following the month in which the County obtains its final permits and Government Approvals (defined in 6b below) to construct the

Communications Facility, or (ii) the date which is one (1) year after the Effective Date, unless otherwise agreed in writing prior thereto by Landlord, which agreement may be withheld at Landlord's sole discretion ("**Commencement Date**"). Landlord and the County agree that they shall execute a written acknowledgement confirming the Commencement Date. In the event that the County has not received all necessary approvals for use of the Leased Premises within eighteen (18) months from the Effective Date, the County may terminate this Agreement immediately without further liability hereunder. Landlord may extend the time period for the County to obtain all necessary approvals upon the County's written request for an extension which must be accompanied by evidence that it has been and is continuing to diligently pursue the required approvals.

- (b) This Agreement will automatically be extended at the end of the Initial Term for three (3) additional renewal terms of five (5) years in each term (individually, a "**Renewal Term**"), unless (i) the County is in default of the Agreement at the end of the then current term or at the commencement of the Renewal Term and Landlord has provided at least thirty (30) days' written notice to the County that Landlord will not renew the Lease, or (ii) the County terminates the Lease at the end of the then current term by giving Landlord written notice of the intent to terminate at least thirty (30) days prior to the end of the then current term, or (iii) the Agreement is terminated earlier in accordance with the provisions of this Agreement. Each Renewal Term shall be upon the same terms and conditions which were in effect before the end of the last Renewal Term with the appropriate rental rate increases defined in Section 4. If the County holds over after the expiration or termination of the Agreement, the tenancy shall be a tenancy from month to month at a monthly rent equal to one hundred ten percent (110%) of the rent due for the last month under this Agreement prior to expiration or termination, until the County vacates the Leased Premises and cures any uncured default under the Agreement.
- (c) The Initial Term, and any Renewal Terms, are referred to in this Agreement as the **Term**.

4. Rent:

- (a) The County must pay Landlord, as annual rent, Forty Thousand Two Hundred and 00/100 Dollars (\$40,200.00) ("**Fee**" or "**Fee Payment**") in equal monthly installments of Three Thousand Three Hundred Fifty and 00/100 Dollars (\$3,350.00). The initial Fee Payment is due prior to the Commencement Date, and thereafter, in advance, on the first day of each month in which it is due, at Landlord's address specified in Section 17 below.

- (b) The Fee increases by three (3) percent annually on each anniversary of the Commencement Date.
- (c) If the County fails to pay the Fee to Landlord on the date required in this Section 4, the County must pay a late charge of five percent (5%) of the total amount of the Fee Payment if the Fee Payment is made more than ten (10) calendar days after the due date.

5. Taxes and Operating Expenses:

- (a) At the County's sole cost and expense, the County must have separate utility meters installed at the Leased Premises to measure the utility consumption of its Communications Facility. The County must contract with, and make direct payment to the public utility companies for the installation of the utility meters and for all utilities consumed by the Communications Facility.
- (b) Any tax, assessment, levy, charge, fee, or license, or increase in Landlord's tax, assessment, levy, charge, fee, or license, directly attributable to the County's leasehold improvements on the Leased Premises ("**Assessments**") must be paid in full by the County within thirty (30) days of the County's receipt of any bill evidencing such Assessment.

6. Permits and Governmental Approvals:

- (a) Landlord agrees, at the County's sole cost and expense, to exercise commercially reasonable efforts to cooperate with the County in obtaining any licenses, permits and other approvals required by any federal, state or local authority for the County's use of the Leased Premises and the installation and use of the Communications Equipment.
- (b) It is understood and agreed that the County's ability to use the Leased Premises is contingent upon its obtaining all of the certificates, permits and other approvals (collectively the "**Governmental Approvals**") that may be required by any federal, state or local authorities which are required for the County's use of the Leased Premises prior to the Commencement Date of this Agreement. Landlord, at the County's sole cost and expense, will use commercially reasonable efforts to cooperate with the County in its effort to obtain the Governmental Approvals and shall not make any changes to the Leased Premises that would prevent the proposed use thereof by the County.
- (c) In the event that, prior to the Commencement Date: (i) any of the County's applications for Governmental Approvals are rejected; (ii) any Governmental Approval issued to the County is canceled, expires, lapses, or is otherwise withdrawn or terminated by a governmental authority; (iii)

the County determines that such Governmental Approvals may not be obtained in a timely manner; (iv) the County determines that the Leased Premises is no longer technically compatible for its use; or (v) the County, in its sole discretion, determines that it will be unable to use the Leased Premises for its intended purpose, the County shall have the right to terminate this Agreement. Notice of the County's exercise of its right to terminate this Agreement under this subsection must be made prior to the Commencement Date and must be given to Landlord in writing in the manner required under Section 17.

7. Indemnification:

(a) The County agrees to indemnify Landlord and save it harmless from and against any and all claims, actions, damages, liability and expense in connection with loss of life, personal injury and/or damage to property arising from or out of any occurrence upon or at the Leased Premises, or the occupancy or use by the County of the Leased Premises, access to the Leased Premises through the Easement or any part thereof occasioned wholly or in part, to such extent, by any negligent act or omission of the County, its agents, contractors, or employees, except in the case of the negligence, wrongful acts or omissions of the Landlord, its agents or employees.
