

**Geraldine Crabill,**  
Complainant

v.

**Case #78-07**

**Manchester Farm Community Association**  
Respondent

**CORRECTION TO MEMORANDUM DECISION AND ORDER**

Upon Respondent's Motion, and with no objection thereto by Complainant, the Hearing Panel corrects its Paragraph 4 of the Findings of Fact on page (4) in its Decision and Order of July 22, 2009, so that it reads as follows:

**4. In June or July 2005, Crabill removed the metal shed in her backyard and replaced it with a nine-foot high wooden shed and placed it in the rear of her yard, adjacent to the fence but not located under the deck. She replaced the shed and painted it the same color as the fence and deck without submitting an Application or receiving prior written approval from the ARC or the Board of Directors.**
