

## OATLAND FARMS PATCHING PROJECT

Olney, MD

### PURPOSE

This newsletter is to inform you of the upcoming permanent patching of Oatland Farms. Please see the reverse side of this newsletter for the project map. This project will consist of milling the existing pavement, permanent patching, and utility adjustments. This pavement preservation project employs long term strategies to improve roadway conditions.

### IMPACTS

No parking signs may be posted in advance of resurfacing on your street. You will have access to your driveway and street throughout the duration of the project. Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.

### SCHEDULE

MCDOT already completed work on Breeze Way Circle, Olney Mill Road, and Wickham Road. This project will resume in March and take three to four weeks to complete, weather and other operational requirements permitting. Work hours will be between 7am and 5pm, Monday through Friday.
