www.montgomerycountymd.gov/disability/dev-dis.html

Assist children and adults with developmental disabilities access public and private services and provide professional support and guidance to families needing assistance in caring for their family member with a disability. Summer camp scholarships.

- **Autism Waiver** staff coordinate with Montgomery County Public Schools staff and monitor services for children (ages 0 - 21) in the program who have been diagnosed with Autism Spectrum Disorder. Through the Autism Waiver Program, students and families receive respite care, environmental accessibility adaptations, family training, supported adult life planning, and intensive individual support services in the home and community, therapeutic integration service, service coordination and, in some cases, residential habilitation.
- **Individual and Family Supports** monitors funding provided by the State of Maryland's Developmental Disabilities Administration (DDA) for family and individual support services for individuals with developmental disabilities.
- **My Turn Program** provides support and assistance to families with children ages three to thirteen who have developmental disabilities and are not connected with State of Maryland resources. Services include outreach, assistance with summer camp placements and other programmatic and financial assistance.
- **Coordination of Community Services (CCS)** program is one of six agencies in the County that provides case management services to eligible school-to-work transition students and adults people who have developmental disabilities and are eligible for the Maryland DDA Home and Community Based Services (HCBS) Waiver services.
- **Respite Services** provides short-term temporary relief to unpaid live-in caregivers/families who are providing full-time care to children with severe medical conditions, children/adults with disabilities, or frail seniors. Care is provided by trained, certified care workers in the family's home or in a respite care facility.
- **Transition Youth with Disabilities** assists students with developmental disabilities in the process of exiting from the school system, and their families with transitioning into adult services for ongoing supports through the DDA. Services include adult vocational training, day habilitation, or supported employment services.

www.montgomerycountymd.gov/HHS-Program/CYF/MCITPFSN/index.html

Helps families with children who have special needs to access resources and services to achieve the best possible outcomes for each child and family. The Network works to increase the involvement of parents and guardians in the early intervention and special education decision-making process; develop collaborative relationships between Family Support Network and Montgomery County's Infants and Toddlers Program staff, families, and community members by providing information and training;

Infants and Toddlers Program - Family Support Network Continued

connect parents and children to local resources and agencies who can help them; establish supportive networks among parents in local communities; provide information about disabilities and school system resources; and help families resolve concerns and make informed decisions about their child's education.

Ivymount School

11614 Seven Locks Road
Rockville, MD 20854
301-469-0223 (V)
www.ivymount.org

The Autism Program provides highly structured teaching environments using the Applied Behavior Analysis methodology. The program provides students ages 4 to 21 with one-to-one, two-to-one and small group instruction. Speech and language, occupational therapy, and related services are delivered in a consultative classroom model. The Multiple Learning Needs Program serves students with disabilities including Autism/PDD, developmental delays, speech / language and other health impairments. The program serves students Elementary/Middle School (grades K-8) and Secondary School (grades 9-12), ages 4 to 21 (students earning Certificate of Completion). The school provides therapeutic, social and pragmatic skills programming depending on the ages and learning needs of the students. Career development is embedded in the educational program. The Model Asperger Program (MAP) is for students with average to above average cognitive abilities but struggle in mainstream learning environments due to difficulties with social skills, executive functioning, flexible thinking and self-regulation. Serves students elementary/Middle School (grades K – 8) and Secondary School (grades 9 – 12).

Jewish Social Service Agency

200 Wood Hill Road
Rockville, MD 20850

Email: info@keengrdc.org
www.keengreaterdc.org

Provide one-on-one recreational opportunities to children, teens and young adults with significant developmental and physical disabilities by pairing them with trained volunteers for fun, noncompetitive activities. Programs include sports, swimming, music, tennis, bowling, fitness, Family Sports Day, and KEEN Club. Provided at no cost to the participant or their family.

Linkages to Learning - Montgomery County Public Schools

1401 Rockville Pike, 3rd Floor, Suite 310
Rockville, MD 20852
240-777-1731 (V)
Email: linkagestolearning@montgomerycountymd.gov
www.montgomeryschoolsmd.org/community-engagement/linkages-to-learning

Community school partnership with an integrated focus on health, social services, community engagement and leadership to support student learning, strong families, and healthy communities. Program provides accessible services to at-risk children and their families to improve adjustment to and performance in school, home, and community. Prevention and early intervention services include health, mental health, social services and educational support (including academic tutoring for students, mentoring and adult education classes, such as ESOL and literacy) to improve the well-being of children and their families through a collaborative delivery of school-based services that address the social, economic, health, and emotional issues that interfere with the academic success of a child.

Maryland Association of Nonpublic Special Education Facilities (MANSEF)

P. O. Box 6815
Baltimore, MD 21285-6815
410-938-4413 (V)
Email: mansef@aol.com
www.mansef.org

Not-for-profit organization of more than 90 nonpublic special education facilities approved by the Maryland State Department of Education. MANSEF unites a diverse community of educators, professionals and parents to advocate for the needed continuum of services for children and adolescents with disabilities. MANSEF works in partnership with private/nonpublic special education facilities, families, parent groups, state and local education and government officials and related service professionals.

**Maryland Children's Health Program (MCHP) -
Maryland Department of Health**

1-855-642-8572 (Maryland Health Connection)

1-855-642-8573 (TTY)

<https://health.maryland.gov/mmcp/chp/pages/home.aspx>

Provides free coverage to eligible uninsured children under 19 years of age whose family earns too much money to get Medicaid, but not enough to afford private health insurance. Your child may be eligible for Medicaid or MCHP even if you are not. Children who are enrolled in MCHP get care from one of Maryland's nine HealthChoice managed care organizations (MCO). You can choose your HealthChoice MCO for services. Some benefits are dental care; doctor visits - well and sick care; hospital care; immunizations - shots; lab work and tests; mental health services; prescription medicine; substance abuse treatment; transportation to medical care; and vision care.

National Center for Children and Families

6301 Greentree Road

Bethesda, MD 20817

301-365-4480 (V)

Email: info@nccf-cares.org

www.nccf-cares.org

Private, nonprofit child and family welfare agency with a commitment to serving poor, disadvantaged, abused, neglected and/or abandoned children, youth, and their families. Current program services include emergency shelters and transitional housing for homeless families, a high-intensity therapeutic group home, therapeutic and traditional foster care and adoption, independent living for youth transitioning to adulthood, teen parent services, and community-based prevention services that promote academic achievement, parental involvement, economic and vocational stability, and healthy families. The Neediest Kids Program targets students who go without food, adequate clothing, dental and vision care in the national capital region. Program provides supports so the student can refocus on obtaining a quality education.

Parents' Place of Maryland

802 Cromwell Park Drive, Suite H

Glen Burnie, MD 21061

410-768-9100 x 4 (V)

1-800-394-5694 (Toll Free)

Email: info@ppmd.org

www.ppmmd.org

Provides information and support for families who have children and youth with disabilities or special health care needs, beginning at birth through age 26. Parent Educators and staff are available to help you understand and navigate the special education system and provide you with the information and tools you need to be an informed and active participant in your child's education. Family-to-Family Health Information Center (F2F HIC) provides a central source for families of children and young adults with disabilities and special health care needs to obtain support, advocacy, and information about health care. Services are free.

Treatment and Learning Center (TLC) - Outcomes

Adult Services

1390 Piccard Drive, Suite 120

Rockville, MD 20850

301-424-5200 (V)

Email: occupationaltherapy@ttlc.org

www.ttlc.org/outcomes-adult-services/

Develop individual treatment plans that are designed to meet the needs of each child in order to maximize development and independence with daily living skills. Treatment plans address functional outcomes for each child, using a holistic and collaborative approach that considers individual needs in the home, at in school, and in the community, as well as working across disciplines to address the needs of the whole person. Parents collaborate on the treatment plan and therapists provide ongoing education and resources for the carry-over of treatment goals into the home and other environments, to maximize each child's independence and progress.

**Youth & Family Programs - City of Rockville -
Community Services Division**

111 Maryland Avenue
Rockville, MD 20850
240-314-8300 (V)

www.rockvillemd.gov/376/Youth-Family-Programs

Programs designed to prevent youth from engaging in delinquent behaviors, specifically drug and alcohol abuse, gang involvement and other criminal activities. Offer mentoring, counseling, and parent training. After school programs for students in grades K to 10. Youth must live or attend school in the City of Rockville to be eligible for the programs.
