Welcome / Introductions

New Business

Hazmat Permitting Program – Barbara Moore

- Continuing to catch up on delinquent permits. Program running well.

OEMHS Updates – OEMHS Staff

- Commodity Flow Study – Study completed and being finalized, will be distributed spring 2019.
- Hazard Mitigation Plan – currently under revamp and update. Many sessions held regarding public feedback.
- Planning updates:
Volunteer/Donations management plan finalized and will be tested in fall OEMHS exercise
Damage Assessment Plan in process.
- Pre-disaster recovery plan being revamped and updated.
- Community Outreach – OEMHS participated in many events during National Preparedness Month throughout the county.
- Partners in Preparedness program handout was distributed to LEPC members. They were encouraged to consider this for their companies/organizations.

Fire Rescue Hazmat Update –MCFRS Captain Ivan Browning

HazMat Team has been fairly quiet. A few minor roadway spills.

CAMEO training is ongoing and funding is being sought in the next HMEP grant cycle

LEPC Core Group Update – Randy Norman

LEPC Revitalization Working Group continuing to meet on a regular basis – looking at where we have been, where we are at and where we intend to go in the future.

Speakers/Presentation

Opioid Operational Command Center – Birch Barron, Deputy Director

Overview of the Maryland Opioid epidemic and what the state is doing to combat the spread of opioid throughout Maryland. Presentation can be found on OEMHS LEPC website.

Maryland Coordination and Analysis Center (MCAC) – Alex Cardella

Overview of general threats facing Maryland from a crime/terrorism standpoint.

Montgomery County Cyber Security Plan – Ashely McKibbin OEMHS

Update / overview of the Montgomery County Cyber Security Plan
