New Business

OEMHS Updates – Tina Laboy

- We are kicking off the County's Hazard Mitigation Planning process today with our internal project team. We will have open public meetings to be announced at a later date.
- We have just selected a contractor to support the Emergency Operations Plan update and will be kicking off soon. As in past updates, we will include the LEPC for feedback on the plan draft.
- Earlier this year, the County received a Heat Grant from NOAA to conduct a heat mapping project in the County. The initial results are available, in the coming months, we hope to receive an interactive map available to the County and public.
- The Planning Division has recently gone through some staffing changes. We are welcoming a new Community Outreach Coordinator in early December. Soon, we also anticipate recruiting for a new Emergency Management Specialist to fill one of our recent vacancies.

Hazmat Permitting Program – Barbara Moore

Processing permitting notices as received and sending out letters.

Speakers/Presentation

- Nonprofit Security Grants Program – Mara Parker - Montgomery County Office of Emergency Management and Homeland
- Lithium Ion Batteries and Electric Vehicle Fires – Battalion Chief Ivan Browning – Montgomery County Fire Rescue
- Glen Echo Water Emergency and Wireless Emergency Alerts (WEA) – Matt Miziorko - Montgomery County Office of Emergency Management and Homeland

Moving Forward
