

# Zoning and Administrative Hearings

## MISSION STATEMENT

The mission of the Office of Zoning and Administrative Hearings is to conduct due process hearings in land use and other administrative matters in a manner that protects the rights of the participants, provides a complete record in each case, results in a thorough and balanced report or decision and serves the public interest.

## BUDGET OVERVIEW

The total approved FY14 Operating Budget for the Office of Zoning and Administrative Hearings is \$611,779, an increase of \$19,591 or 3.3 percent from the FY13 Approved Budget of \$592,188. Personnel Costs comprise 87.5 percent of the budget for three full-time positions and one part-time position, and a total of 3.75 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 12.5 percent of the FY14 budget.

## LINKAGE TO COUNTY RESULT AREAS

## DEPARTMENT PERFORMANCE MEASURES

Performance measures for this department are included below. The FY13 estimates reflect funding based on the FY13 approved budget. The FY14 and FY15 figures are performance targets based on the FY14 approved budget and funding for comparable service levels in FY15.

Measure	Actual FY11	Actual FY12	Estimated FY13	Target FY14	Target FY15
<b>Program Measures</b>					
Number of Hearing Examiner decisions overturned on appeal <sup>1</sup>	2	1	0	0	0
Total cases completed <sup>2</sup>	54	43	44	44	44
Average time from filing a case until hearing is held (months) <sup>3</sup>	4.5	4.5	4.5	3.5	3.5
Percentage of Hearing Examiner recommendations accepted by County Council, Board of Appeals, and Human Rights Commission	96	98	98	98	98
Percentage of all legal deadlines and requirements met	100	100	100	100	100

<sup>1</sup> The District Council accepted the hearing examiners' recommendations in the four FY 2012 cases in which hearing examiner reports and recommendations were submitted in FY 12. The Board of Appeals accepted the hearing examiners' recommendations in all of the special exceptions it decided in FY 2012, save one, which it denied on a split vote.

<sup>2</sup> While the number of cases processed declined in FY12, this measure does not accurately reflect OZAH's FY12 caseload. OZAH processed a series of complicated and time-consuming matters in FY12 which required multiple hearings and extended reviews. The number of cases may continue to drop but will be more than offset by cases from both the HRC and the CCOC.

<sup>3</sup> Average time from filing to hearing has, in the past, been dictated in all land use cases by the amount of time M-NCPPC Technical Staff required to review the applications. OZAH anticipates reductions in the future based on Council changes to the accessory apartment application process, which go into effect on May 20, 2013.

## ACCOMPLISHMENTS AND INITIATIVES

❖ *The Council recently enacted legislation which changes the way accessory apartment applications will be processed (Ordinance 17-28 and Bill No. 31-12). OZAH anticipates this change will result in a reduction in the number of accessory apartment applications reaching OZAH. However, the Commission on Common Ownership Communities has begun to refer cases to OZAH for administrative hearings, as they are permitted to do under Code §10B-12(d), and the Human Rights Commission also referred additional cases to OZAH in FY13. Each of those cases is usually the equivalent of at least five accessory apartment cases in terms of hearing examiner time to resolve discovery issues, conduct the hotly disputed hearings, and write the reports. OZAH thus projects that the reduction in caseload resulting from Council legislation will be offset by the increasingly time-consuming cases being referred to this office for resolution.*
