Recreation

MISSION STATEMENT

The mission of the Department of Recreation is to provide high quality, diverse, and accessible programs, services, and facilities that enhance the quality of life for all ages, cultures, and abilities.

BUDGET OVERVIEW

The total approved FY16 Operating Budget for the Department of Recreation is \$32,412,906, an increase of \$2,038,623 or 6.7 percent from the FY15 Approved Budget of \$30,374,283. Personnel Costs comprise 62.3 percent of the budget for 112 full-time positions, and a total of 417.29 FTEs. Total FTEs may include seasonal or temporary positions and may also reflect workforce charged to or from other departments or funds. Operating Expenses account for the remaining 37.7 percent of the FY16 budget.

The Debt Service for the Recreation Fund is appropriated in the Debt Service Fund and is, therefore, not displayed in this section. To pay for the Debt Service, a transfer of funds from the Recreation Fund to the Debt Service Fund of \$8,847,110 is required to cover general obligation bond and long-term lease costs.

Additionally, it should be noted that the Department manages an estimated \$8,358,659 Agency Fund. This fund is designated for handling contracted programs and services and is entirely revenue supported. The net proceeds of these activities are accounted for in the Recreation Fund.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding.

LINKAGE TO COUNTY RESULT AREAS

While this program area supports all eight of the County Result Areas, the following are emphasized:

- Children Prepared to Live and Learn
- Healthy and Sustainable Neighborhoods
- Vital Living for All of Our Residents

DEPARTMENT PERFORMANCE MEASURES

Performance measures for this department are included below, with multi-program measures displayed at the front of this section and program-specific measures shown with the relevant program. The FY15 estimates reflect funding based on the FY15 approved budget. The FY16 and FY17 figures are performance targets based on the FY16 approved budget and funding for comparable service levels in FY17.

ACCOMPLISHMENTS AND INITIATIVES

- Implemented the Summer Mobile Teen program as part of the TeenWorks program. The Summer Mobile Teen program accompanies the Montgomery County Public Schools Summer Lunch program, providing activities for students who came for lunch, serving over 15,000 residents.
- The Excel Beyond the Bell (EBB) program continues to thrive. In partnership with MCPS, the Collaboration Council, and numerous quality out of school time providers, EBB served seven middle schools during the FY15 school year. With grant funding from United Way and in partnership with Identity Neelsville, maintained five schools for summer extended learning programs.
- Supported Creative Afternoons Program offered by the Department's Therapeutics unit, providing recreational activities and family events for profoundly disabled persons affiliated with the Stephen Knolls School and Longview School.
- In response to the community identified need, extended operating hours in FY15 at three of five Senior Centers, providing access to programs and activities by an additional 2 8 hours a week. In FY16, operating hours will be extended at three Recreation Centers in the East and Mid-County areas.
- In conjunction with the Jewish Council for the Aging (JCA), launched new Transportation Initiative in January 2014 and in FY15, expanded these transportation services. The initiative adds five days a week transportation to all five senior centers. Bus ridership and participation in center activities has increased at all locations.
- Re-instituted the popular senior mini-trip program that was eliminated due to budget cuts in 2008. Each senior center and Active Adult Program now receives four trips per year to take seniors to local destinations of interest.
- Re-opened the Plum Gar Community Center with senior and youth programming such as Senior Neighborhoods, Club Rec, Club Friday and Summer Fun Centers, along with a host of activities, special events and sporting events for the community.
- Re-opened the Scotland Community Center. Programming includes Club Friday, Summer Fun Centers, and a host of activities, special events, and sporting events for the community.
- Adding public access Wi-Fi at eight recreation facilities in response to community demand for these services.
- In addition to the funding for this department, the budget includes grants to our community partners engaged in positive youth development and other recreation related programs. Community organizations augment and supplement government programs by providing services such as out of school time programming, mentoring, leadership development, college prep, education on domestic violence, and internship programs to engage youth that are high risk, low income, new immigrants, and/or disabled. These community organizations are critical to an effective network of services and are often able to provide these services in a more cost-effective, culturally appropriate, and flexible way than County Government. They also are able to leverage community resources that may be unavailable to County Government. For details, please see Community Grants in the Non-Departmental Accounts section.

Productivity Improvements

- Restructured Department internally in FY15 to improve revenue collections, participation, provide more innovative programming, and encourage community investing.
- Implementing ActiveNet software to improve customer service, allowing a one-stop access location to register for Montgomery County Parks, Community Use of Public Facilities, and Recreation programs.
- Expanded TeenWorks Program through a partnership with Maryland Conservation Corps (MCC). This partnership
 program engages young adults in extensive natural resource management and park conservation projects. MCC
 provides members with opportunities for skill development and personal growth through a supportive,
 team-based environment, emphasizing the satisfaction of completing projects that benefit Maryland's natural
 resources.
- Implemented new financial assistance program, resulting in increased participation by clients who cannot afford program fees and a greater portion of funding being utilized.
- The Department is working closely with County Stat and other resources to fine tune customer data collection and analysis to improve program offerings and operations.

PROGRAM DESCRIPTIONS

Aquatics

The Aquatics programs provide recreational, fitness, instructional, competitive, therapeutic, and rehabilitative water activities that serve all residents. The broad ranges of programming include lessons, instructional wellness classes, and competitive programming such as dive and swim teams. Facilities also host a wide variety of local, regional, and national events and competitions each year. The Department operates seven regional outdoor pools, four indoor aquatics facilities, and a neighborhood spray park. The indoor pools serve the public 17 hours each day, 7 days a week, for approximately 340 days a year. The outdoor pools and the spray park operate from Memorial Day through Labor Day weekend.

Countywide Programs

This team includes Classes, Contract Camps, Instructional, High School and Adult Sports, Trips and Tours, Special Events, Therapeutic Recreation Programs, Summer Camps and Fun Centers, and Inclusion Services. The team serves residents from the ages of 2 years old to over 90 years old. Programs and leagues are carried out across the entire County and are carried out in Recreation Facilities, MCPS schools, County facilities, and Parks facilities.

The Classes Program offers recreational and skill development classes for all ages. Leisure classes are scheduled and advertised four times each year in arts, crafts, exercise, music, performing and social dance, and special interest areas. Sports instruction is offered in basketball, fencing, soccer, and martial arts. Special intensive schools and clinics are also offered during school vacation times. The Classes program also provides "Tiny Tot" classes: recreational, social, and early childhood development activities for children ages one to five years, incorporating child-parent interaction, creativity, independence, fitness, and wholesome fun.

Trips and Tours offers a variety of trips, activities, and excursions to cultural arts centers, athletic venues, and destinations of interest for Seniors, Adults, Families, and Teens.

Summer Camps provide a safe, convenient, fun, and affordable program for children ages 4-13. Recreation provides over 50 camps in Montgomery County. Extended hours provide parents with opportunities to have children cared for both before and after camp. Holiday camps are offered during the winter and spring school breaks. Summer Fun Centers is a six-week program in the summer for youth ages 5 to 12 years. This program serves as a neighborhood drop-in program where children may come for the entire seven weeks or they may choose the days they would like to participate in activities such as arts and crafts, sports, nature activities, and games.

Youth Winter Basketball continues to be one of the Recreation Department's premier youth activities. Approximately 10,000 youth take part in healthy activities twice a week.

Notes: Multi-program adjustment reflects the shift of 1 FTE Recreation Supervisor from Countywide Programs to Youth Development Programs.

Recreation Areas and Community Centers

The Department has 20 community recreation centers, located throughout the County. These community recreation centers provide facilities and programs featuring leisure activities, social interaction, family participation, and community civic involvement, as well as promote community cohesion and identity.

Our Centers are designed to support sports, fitness, dance, community/social activities, and arts programs. Activities include

instructional programs, organized competitions, performances and exhibitions, recreational clubs and hobby groups, and accessibility initiatives for special populations. Center spaces are available for community activities, party rentals, receptions, and civic group meetings. User fees are charged for room rentals, special programs, fitness room memberships, and services offered at each facility.

Club Rec is an affordable after school program geared to elementary age children offered at selected community recreation centers. Programming is focused on homework time, sports, games, arts and crafts, and events.

Club Friday is for youth in grades 3 to 5 who participate in Friday evening activities, events, and programs at local community recreation centers.

The Division is divided into three geographic service areas. Area supervisors and staff plan and coordinate recreation services and activities in their area. They also assist with the delivery of services, perform customer assessments of programs, provide staff support to area Recreation Advisory Boards, and serve as liaisons with schools and community groups in the area. Area staff also manage local community-based activities, such as community days, festivals, and other special events.

Notes: Multi-program adjustments reflect shift of 1 FTE moved to Recreation Outreach Services, shift of 1 FTE from Senior Adult Programs, and seasonal staff adjustments from Senior Adult Programs.

Senior Adult Programs

The seniors' program offers services for adults age 55 and above including senior centers, neighborhood programs, classes, sports and fitness, trips, and special programs. It serves seniors who are frail and isolated to those who are very active.

Senior Centers: The Department-operated senior centers across the County are open five to six days per week and provide social, physical, recreational, educational, and community oriented activities. Recreation opportunities range from organized classes such as fitness, art, and computer skills to more informal activities such as billiards, discussion groups, and guest speakers. These centers are focal points for the delivery of recreation, community, and health-related services to senior adults.

Transportation: The Department provides a combination of curb-to-curb and fixed route transportation shuttles, Monday to Friday, to its five senior centers. County residents 55 and over are eligible for this program if they are within the service area for one of the centers. Senior Centers in this program include: Damascus, Holiday Park, Margaret Schweinhaut, Long Branch, and White Oak. Also available are mini trips to local attractions and businesses. These trips are generally local and scheduled for a few hours in length.

55+ Active Adult Programs: These programs serve groups of 20-70 individuals who meet in community recreation centers or other facilities near their homes one to three days each week. These programs offer special interest classes, trips, social activities, and food services at selected sites.

Although not listed specifically under the Senior Programs section, the Department offers a wide variety of programming for Baby Boomers and Senior Adults through the Classes, Trips and Tours, Aquatics, and Sports teams.

Notes: Multi-program adjustments reflect shift of 1.15 FTE's Recreation Supervisor and seasonal FTE's from Senior Adult Programs to Recreation Areas and Community Centers. Other seasonal adjustments were also made to align seasonal staff with program needs.

Recreation Outreach Services

Events: The Department of Recreation coordinates special events and other activities which offer a variety of benefits, including enhancing a sense of community, encouraging family participation, and providing a positive image of the County. These special events offer opportunities for interaction among the various segments of our multi-cultural community and provide a chance to

celebrate our rich cultural diversity. Several of our Department's larger events are the Fourth of July Celebrations, Pikes Peek Road Race, Silver Spring Jazz Festival, and the annual Thanksgiving Parade.

Partnerships: The Department partners with many County and outside agencies and organizations to provide various leisure opportunities for the residents of the County. More formal partnerships/contracts include the Arts and Humanities Council, Public Arts Trust, BlackRock Center for the Arts, YMCA, and others.

Services to Special Populations: The Therapeutic Recreation Team provides accessible leisure, educational, and personal development activities for individuals with disabilities through mainstreaming and adaptive programs. The Department has staff trained who develop and implement accessible leisure, educational, and personal skill development activities for individuals with disabilities through mainstreaming, community integration, and adaptive programs. The Department offers programs including classes, camps, sports, and activities which enhance the lives of individuals with disabilities and provide support for the families of participants, ages pre-school through adult. The activities available to residents with disabilities through the Department are often the only opportunities these individuals have for leisure activities since community options are limited.

Management Services

This team includes the Department's infrastructure support group primarily engaged in furnishing general overall operational or specialized management services on a day-to-day basis. The program is targeted for customer service, training, IT maintenance, software, computers and point of sale management, personnel/payroll, accounting functions, budget & planning, procurement and contractual review and other fiscal matters, as well as technology improvements. Also included in this team is the department's graphic designer, who designs the web page, publications, and the Recreation Guide. This unit also manages a robust financial assistance program that allows thousands of low income residents to have access to programs, facilities, and activities they may not otherwise have resources for.

Planned Lifecycle Asset Replacement (PLAR)

PLAR provides funding for a lifecycle replacement program to protect the Department's investment in facilities and equipment and to sustain efficient and reliable facility maintenance and operations. The program is targeted at slowing the deterioration of the equipment and structures in Department facilities. Specifically, the program includes interior space modifications, security system enhancements, refinishing gymnasium floors and bleachers, and the repair/replacement of furniture, fixtures, and equipment in the Department's facilities.

Notes: Multi-program adjustment reflects the addition of 0.37 FTE's due to adjustment of seasonal positions related to the Senior Nutrition Grant funding increase.

Youth Development Programs

In support of the County Executive's Positive Youth Development Initiative, program staff provides and supports a wide variety of teen and youth programs. These include High School Rec Zones (previously Sports Academies), Excel Beyond the Bell, Rec Extra, Teen Works, Dream Academy, and a wide variety of teen cafés, events, and activities. Many of these activities are in partnership with Montgomery County Public Schools and the Montgomery County Collaboration Council. These programs take place in high schools, middle, and elementary schools providing safe environments for youth to engage in sports and such leisure activities as arts, dance, nutrition education, STEM, and leadership skill development. Other teen programming includes sports tournaments, the newly created Summer Teen Mobile Program, and our Youth Advisory Committee.
