### ANNUAL OPERATING BUDGET IMPACT (\$000)

**DESCRIPTION**

This project provides for the repair and replacement of paved surfaces at fire and rescue stations where existing paved surfaces are in poor and deteriorating condition.

**Service Area**

Countywide

**Plans and Studies**

The current candidate project list was determined by a survey conducted by the Department of Public Works and Transportation, Division of Capital Development. The ongoing need for exterior resurfacing at fire and rescue stations is due to the continuous use by heavy equipment such as pumpers and ladder trucks. While the surfaces at some stations have lasted for many years, others have deteriorated and failed in less than seven years. Pedestrian safety will be considered during design.

**Cost Change**

Increase due to the addition of FY11 and FY12 to this ongoing project.

**STATUS**

Ongoing. Scheduling is determined through annual inspections performed by the Department of Public Works and Transportation, Division of Capital Development, in consultation with the Montgomery County Fire and Rescue Service. The station schedule displays anticipated priorities only. Start dates may be amended, if required, due to fire station pavement safety considerations.

**OTHER**

FY07	FY08	FY09	FY10	FY11	FY 12
Hillandale 12	Burtonsville 15	Kensington 21	Silver Spring 16	Hillandale 24	Gaithersburg 8
Laytonsville 17	Rockville 3	Damascus 13	Silver Spring 19	Hyattstown 9	Gaithersburg 28

**FISCAL NOTE**

Debt service for this project will be financed with Consolidated Fire Tax District Funds.

\* Expenditures will continue indefinitely.
