

# Non-Departmental Accounts

## MISSION STATEMENT

Non-Departmental Accounts (NDAs) contain expenditure items essential to the operation of the County government, which do not fall within the functional assignment of any department or agency, or which provide for expenditures related to more than one department or agency.

In FY08, 33 non-departmental accounts are funded. Three NDAs are not recommended for funding: the Board of Investment Trustees; Inauguration and Transition; and Restricted Donations. One additional NDA is recommended for funding: Other Post Employment Benefits (OPEB). The four full-time positions with the Board of Investment Trustees are charged to various retirement funds as appropriate, and 0.6 workyears are charged to the Compensation and Employee Benefits Adjustments NDA for deferred compensation management.

## BUDGET OVERVIEW

The total approved FY08 Operating Budget for the Non-Departmental Accounts is \$123,901,230, an increase of \$12,321,470 or 11.0 percent from the FY07 Approved Budget of \$111,579,760. Personnel Costs comprise 2.5 percent of the budget for six full-time positions for 2.6 workyears. Operating Expenses and Capital Outlay account for the remaining 97.5 percent of the FY08 budget.

## PROGRAM DESCRIPTIONS

### Arts and Humanities Council

This NDA provides funding for the Arts and Humanities Council of Montgomery County (AHCMC), the County's designated local arts and humanities agency. The FY08 budget represents a new structure for the AHCMC. As part of the new structure, Transition Grants and Cultural Facility Improvement Grants have been replaced with an increase in general operating support to the arts and humanities organizations. FY08 taxpayer support of the Arts and Humanities Council includes: general operating grants to arts and humanities organizations; program grants to agencies not receiving general operating support; project grants to individuals, scholars, groups or small organizations; technical assistance and other support services for individuals and other organizations in the County; and operating expenses for AHCMC. The County's contribution is implemented by a contract between the Department of Recreation and AHCMC.

The Arts and Humanities Council's mission is to promote, support, and expand cultural activities in the County and to help integrate them into the lives of all residents. AHCMC coordinates services to more than 300 arts and humanities organizations and over 300 individual artists and scholars in the County. Its activities include: providing grants to individuals, scholars, and arts and humanities organizations; providing technical assistance to arts and humanities organizations; sponsoring cultural events; publishing and maintaining on its website a comprehensive calendar of cultural events in the County; coordinating cultural activities; sponsoring and overseeing the presentation of an annual cultural fair; providing staff support for the County's Public Arts Trust; and implementing the County's first community cultural plan. AHCMC is headquartered in Bethesda, Maryland, and receives support from the State of Maryland, Montgomery County, regional foundations, and private support.

**Board of Investment Trustees**

The mission of the Board of Investment Trustees is to manage prudent investment programs for the members of the Employee Retirement Plans and their beneficiaries. Expenditures associated with this program are funded from the Employees' Retirement System (ERS), Retirement Savings Plan (RSP), and the General Fund on behalf of the Montgomery County Deferred Compensation Plan (DCP) trust funds and are, therefore, not appropriated here. The Board of Investment Trustees manages the assets of the ERS through its investment managers in accordance with the Board's asset allocation strategy and investment guidelines. The Board also administers the investment programs for the RSP and DCP. The Board consists of 13 trustees including: the Directors of Human Resources, Finance, Management and Budget, and the Council Staff; one member recommended by each employee organization; one active employee not represented by an employee organization; one retired employee; two members of the public recommended by the County Council; and two members of the general public.

The Commission shall report at least once to the Council on the Commission's activities within one year after appointment. Eligible first-time home buyers can receive a seven-year loan under the program to help pay the settlement expense of a home purchase. The maximum amount of loans is the lesser of \$7,500 or five percent of the sale price of the single-family residence. The Housing Opportunities Commission (HOC) administers and operates the program. As part of an arrangement between HOC and the Federal National Mortgage Association (Fannie Mae), the County has established this account to help defray program operating costs incurred by HOC.

**Compensation and Employee Benefits Adjustments**

This NDA contains a General Fund (\$3,139,280) and a Grant Fund (\$353,440) appropriation, and provides funding for certain personnel costs related to adjustments in employee and retiree benefits, pay-for-performance awards for employees in the Management Leadership Service and non-represented employees, Deferred Compensation Management, and unemployment insurance.

**Non-Qualified Retirement Plan:** This provides funding for that portion of a retiree’s benefit payment that exceeds the Internal Revenue Code’s §415 limits on payments from a qualified retirement plan. Payment of these benefits from the County’s Employees’ Retirement System (ERS) would jeopardize the qualified nature of the County’s ERS. The amount in this NDA will vary based on future changes in the Consumer Price Index (CPI) affecting benefit payments, new retirees with a non-qualified level of benefit, and changes in Federal law governing the level of qualified benefits.

**Deferred Compensation Management:** These costs are for management expenses required for administration of the County’s deferred compensation program. Management expenses include legal and consulting fees, office supplies, printing and postage, and County staff support.

**Management Leadership Service: Performance-Based Pay Awards:** In FY99, the County implemented the Management Leadership Service (MLS) which includes high level County employees with responsibility for developing and implementing policy and managing County programs and services. The MLS was formed for a number of reasons including: improving the quality and effectiveness of service delivery through management training, performance accountability, and appropriate compensation; providing organizational flexibility to respond to organizational needs; allowing managers to seek new challenges; and developing and encouraging a government-wide perspective among the County’s managers. MLS employees are not eligible for service increments.

**Unemployment Insurance:** The County is self-insured for unemployment claims resulting from separations of service. Unemployment insurance is managed by the Office of Human Resources through a third party administrator who advises the County and monitors claims experience.

**Conference and Visitors Bureau**

The Conference and Visitors Bureau (CVB) promotes Montgomery County as a tourist destination site to meeting planners, group tour operators, and travel writers; develops and distributes publications on points of interest to tourists; and conducts public information campaigns promoting tourism and event facilitation in Montgomery County. The CVB coordinates with the State Department of Tourism, State Film Office, and national and regional events to promote tourism growth in Montgomery County. The CVB operates on contract with the Department of Economic Development. Funding is based on 3.5 percent of hotel/motel tax revenues.

The CVB also pursues additional marketing opportunities brought about by the opening of new cultural and recreational venues such as the Montgomery County Conference Center, the Music Center at Strathmore, and the Soccerplex. In addition to maintaining a visitor information center in Germantown off of Interstate 270, the CVB also provides visitor information services at the Conference Center during peak periods.

**Conference Center**

Prior to FY06, the Conference Center NDA primarily provided for pre-opening expenses. Since the Conference Center opened in November, 2004, the NDA has expanded its scope to fund:

- a full-time position to manage the operational and fiscal oversight of the Conference Center complex;
- non-routine or major repairs, alterations, improvements, renewals, and replacements; and
- the designated reserve required by the management agreement with Marriott International, Inc.

Funding is also included to reimburse the contractor for costs not covered by operations during accounting periods when losses occur. These costs will be offset by contractor payments to the County during accounting periods with operating gains.

Revenues consisting of net operating income from the Conference Center and land rent from the hotel are also reflected in the NDA. Twenty percent of the County’s net proceeds from Conference Center operations will be retained for investment in marketing and facility improvements that will increase Conference Center usage. All proposed investment expenditures will be reviewed and approved by the Conference Center Management Committee.

**Council of Governments**

The Metropolitan Washington Council of Governments (COG) is a voluntary association of major local governments in the Washington Metropolitan Area. COG seeks to provide regional answers to, and coordination of, area-wide issues such as air and water pollution, day care, housing, crime, water supply, land use, and transportation.

This NDA reflects Montgomery County's share of the organization's operation plus special COG initiatives. Additionally, the contribution supports the Cooperative Purchasing Program; the Anacostia Restoration Fund; the Regional Environmental Fund; the Airport Noise Abatement Program; and a membership fee for participation on a regional housing committee.

As in previous years, the Washington Suburban Sanitary Commission will provide Montgomery County's contribution to support the Water Resources Management Planning Program, the Blue Plains Users, and the Potomac River Regional Monitoring Program.

The program reduces the Total Cost of Ownership (TCO) of PCs through standardization, asset management, and maintenance services. DCM includes the centralized management, support, and maintenance of PCs and the annual replacement of one-fourth of managed PCs. The program also includes PC-related training and software.

This NDA includes funding for Help Desk support, management, maintenance, and replacement of PCs.

This NDA funds payments required in accordance with State law. The 1968 Session of the General Assembly revised the tax structure to include a County income tax. As part of this restructuring, the shared tax on banks and financial institutions was eliminated, and a provision was adopted which requires counties to pay annually to municipalities the amount (\$28,020) which had been received by the municipalities in FY68.

**Group Insurance for Retirees**

Group insurance is provided to an estimated 3,800 retired County employees and survivors, as well as retirees of participating outside agencies. Employees hired before January 1, 1987, are eligible upon retirement to pay 20 percent of the premium for health and life insurance for the same number of years (after retirement) that they were eligible to participate in the group insurance plan as an active employee. The County government pays the remaining 80 percent of the premium. Thereafter, these retirees pay 100 percent of the premium. Employees hired before January 1, 1987, are also offered the option at retirement to convert from the 20/80 arrangement to a lifetime cost sharing option.

Employees hired after January 1, 1987, are eligible upon retirement for a lifetime cost sharing option under which the County pays 70 percent of the premium and the retiree pays 30 percent of the premium for life for retirees who were eligible to participate in the County group insurance plan for 15 or more years as active employees. Minimum participation eligibility of five years as an active employee is necessary to be eligible for the lifetime plan. The County will pay 50 percent of the premium for retirees with five years of participation as an active employee. The County contribution to the payment of the

premium increases by two percent for each additional year of participation up to the 70 percent maximum.

On March 5, 2002, the County Council approved a one-time opportunity for retirees still under the 20/80 arrangement with an expiration date to elect the lifetime cost sharing arrangement. The new percentage paid by the County for those electing this arrangement ranges from 50 percent to 68 percent, depending upon years of active eligibility under the plan and years since retirement. The cost sharing election process has been completed.

The budget does not include employer contributions from participating outside agencies.

**Historical Activities**

This NDA contains a General Fund (\$346,280) and a State (\$25,000) appropriation, and provides funding for the following agencies and programs:

- **Historic Preservation Commission:** The Historic Preservation Commission's main responsibility is to administer the historic preservation ordinance including recommending Montgomery County sites of potential historical significance. These efforts are administered by the Maryland-National Capital Park and Planning Commission (M-NCPPC).
- **Historic Preservation Grant Fund:** The Historic Preservation Grant Fund is administered through the Historic Preservation Commission. The Historic Preservation Commission accepts proposals from County historical groups which compete for grant funding for historically significant or educational projects. Currently, historic preservation grant awards are recommended by the Historic Preservation Commission and executed by M-NCPPC.
- **Historical Society:** Funding for the Montgomery County Historical Society provides support for the Society's Education Program staff, educational and outreach programs for County residents, and to maintain the Historical Society's research library and museums.
- **Maryland Historic Grant:** The Maryland Historic Grant is a matching grant whereby the State of Maryland provides funds for historic preservation, and Montgomery County contributes matching funds totaling 25 percent of the State grant. These grant funds are passed through the County to M-NCPPC, which uses the dollars in its historic activity endeavors.

**Homeowners' Association Road Maintenance Reimburse.**

This NDA provides a partial reimbursement to homeowners' associations (HOAs) for their maintenance of certain privately-owned roadways. The payment is currently restricted to through roadways, accessible to the public, which are one-quarter mile or longer and which provide vehicular access to more than four dwelling units. In FY97, an Executive Regulation was enacted allowing homeowners' associations to request that their roadways be deemed "private maintenance roads." This designation qualifies the HOA for State reimbursement of their roadway maintenance costs. The County annually submits to the State its estimate of reimbursable miles, including those accepted as private maintenance roads. The State then reimburses the County and, subsequently, the County forwards the funds to HOAs.

This NDA supports the operation of the Interagency Technology Policy and Coordination Committee (ITPCC). The ITPCC was chartered by the Montgomery County Council to promote strategic planning and coordination in the use of information technology among County agencies. The ITPCC reports biannually to the County Council. By regularly convening the agencies' chief executive and chief information officers, the ITPCC provides an effective forum for the coordinated implementation of technology policies and guidelines. Additionally, the ITPCC facilitates interagency communication, the evaluation and sharing of new technologies and advises policy makers on the strategic uses of technology.

### **Judges Retirement Contributions**

This NDA provides pensions for retired Judges who were on the bench prior to 1968 in the Circuit Court and the People's Court (District Court) of Montgomery County and for their surviving spouses.

The Circuit Court pension is calculated at one percent of the net supplement paid by the County to the salaries of the Circuit Court Judges as of May 31, 1968, multiplied by the number of years of active service as a Judge (up to a maximum of 20 years). The surviving spouse receives one-half of the pension to which the Judge would have been entitled. The benefits are provided for in Section 12-10 of the Montgomery County Code.

The People's Court (District Court) pension is based on the current salary of a District Court Judge. A retired Judge receives 60 percent of the current salary of a District Court Judge, while a surviving spouse receives one-half of the pension to which the Judge would have been entitled. The benefits are provided for in Article 73B, Section 63(b) of the Annotated Code of Maryland. This NDA may be increased to include a cost of living adjustment at a rate equal to that approved for District Court Judges by the General Assembly. If a cost of living adjustment is approved next fiscal year, the NDA will be adjusted as necessary by a year-end transfer.

### **Leases**

This NDA provides the funds necessary to lease privately owned real estate to accommodate County programs. Real estate property leased by the County includes: office, warehouse, and retail space; hangar facilities; child care space in schools, parking spaces and space for communication antennas. Leasing property allows the County the flexibility to locate programs in the communities they serve. Leasing provides space for programs to operate when there is no County-owned space available. Further, it is an economical way to procure highly specialized, location sensitive or temporary space. Currently, there are approximately 80 leased facilities. The FY08 budget for leases supports four new leases. The inventory of leases is constantly shifting as new leases are added and existing leases are terminated.

### **Municipal Tax Duplication**

The Montgomery County Tax Duplication Program, authorized by Chapter 30A of the Montgomery County Code, reimburses municipalities for those public services they provide that would otherwise be provided by the County. County Council Resolution No. 9-1752, enacted April 27, 1982, increased the scope of program coverage from street-related expenditures to include other public services, such as Police Supplemental Aid; Animal Control; Elderly Transportation and Nutrition; Parks Maintenance; Zoning; Board of Appeals; and Human Rights.

This program was reviewed in FY96 and technical formula amendments proposed. The changes were approved, and payment calculations since then are prepared in accordance with County Council Resolution No. 13-650, adopted September 10, 1996. Specifically, as the exact payment amount for the current year cannot be determined until both Municipal and County books are closed, reimbursements are based on the final audited cost of performing eligible services during the fiscal year two years prior to the budget year. Also, reimbursements are now made at the County's cost and not at "the lesser of County or Municipal costs" of eligible service provision.

Finally, payments to municipalities are also made from other sources, including Cable TV Franchise Fees, Grants in Lieu of Shares Tax, Non-Departmental Accounts, and as part of the County's Community Development Block Grant.

**Other Post Employment Benefits (OPEB)**

The Governmental Accounting Standards Board (GASB) has issued Statement 45, Accounting and Financial Reporting by Employers for Post-employment Benefits Other than Pensions, which addresses how state and local governments should account for and report their costs and obligations related to Other Post Employment Benefits (OPEB). County agencies are required to disclose their OPEB liabilities in their financial statements, starting with the fiscal year beginning July 1, 2007 (FY08).

In November 2006, the County obtained actuarial valuation information addressing the extent of the County's liability to its retirees for other post employment benefits as of July 1, 2006. Based on the assumptions and qualifications stated therein, the OPEB Report concluded that, assuming full prefunding, the 2008 annual required contribution (ARC) for the County and its tax supported agencies is \$240.0 million, and the related actuarial accrued liability (AAL) is \$2.6 billion. The County has determined that a five-year phase in of the difference between the current pay-as-you-go amount to the ARC would be a responsible approach to pre-funding, and believes that such an approach is acceptable to the rating agencies, who will be evaluating the County's response to the GASB disclosure requirements, and its approach to its obligations to current and future retirees for health and other non-pension benefits.

The County is committed to the responsible fiscal management of the County's OPEB obligations and intends to establish a Trust on or before July 1, 2007 for such purposes. It is the County's intent to ramp up to full funding of the ARC over a five-year period beginning with FY08. This approach allows the County to use a discount rate higher than its operating investment rate for accounting and budgeting purposes, which will result in lower costs and liabilities than if the County did not have a Trust in place.

**Prisoner Medical Services**

This NDA provides reimbursements to physicians and hospitals for medical care provided to individuals in the custody of any Montgomery County law enforcement agency, with the exception that offenders committed to the custody of the Department of Correction and Rehabilitation (DOCR) receive

medical treatment paid for by the budget of that department (to the degree not paid for by Workers' Compensation, personal medical insurance, the Federal government, or other appropriate and available outside resources). DOCR manages this account and, with the assistance of the County Attorney, determines which costs are the responsibility of the County. All bills are reviewed for appropriateness of cost by a private contractor prior to payment.

**Public Technology, Inc.**

Funds are budgeted each year to continue membership in Public Technology, Inc. (PTI) as the County's research and development link with the National Association of Counties. Annual dues, unchanged since 1991, cover research and development assistance for innovative projects; access to a computerized information-sharing network; and membership in the Urban Consortium. The County participates in, and has received grants as a result of, initiatives in task forces on energy, solid waste, and telecommunications. PTI, as an organization, specializes in the research and assessment of ideas of interest to local governments for increasing efficiency, reducing costs, improving services, and solving problems. A current emphasis is on public enterprise, toward helping local governments identify and capture potential sales from products and information that are outcomes of government investment.

Appropriation authority to spend additional donations received during the year is provided through the County Council Resolution for the Approval of and Appropriation for the Operating Budget of the Montgomery County Government. The budget resolution provides that the unexpended balance in this fund at the end of the fiscal year is reappropriated by the County Council for the next fiscal year; and if needed, the Restricted Donations NDA can receive transfers from the Future Federal, State, or Other Grants NDA for any individual donations up to \$200,000. Additional information relating to the financial activities of this NDA is displayed in Schedule A-4, Fiscal Summary by Fund, Non-Tax Supported, Montgomery County Government, Restricted Donations.
