Total	975	0	0	975	475	500	0	0	0	0	0

DESCRIPTION

This project will encompass renovation, space reconfiguration, and an expansion replacing three modular units, to include the construction of an addition including an expanded lobby and administrative area, social hall, kitchen, weight/exercise room, additional toilets, and site improvements including parking. A key component of the site and building infrastructure renovation is to upgrade the facility to conform to the Montgomery County Manual for Planning, Design, and Construction of Sustainable Buildings, including meeting green building/sustainability goals; Montgomery County Energy Design Guidelines; and the Americans with Disabilities Act (ADA). The project will be designed to comply with Leadership in Energy and Environmental Design (LEED) guidelines for eventual certification.

JUSTIFICATION

Renovation and new construction requirements are based on a facilities assessment of the site and building infrastructure and on programmatic requirements of the facility and the Montgomery County Recreation Department (MCRD). Two community charrettes were conducted during the Facility Planning process.

In 2005, the Montgomery County Department of Recreation (MCRD), working with the Department of Public Works and Transportation (DPWT) received approval in the Facility Planning: MCG project to proceed with master planning of five Neighborhood Recreation Centers, two Community Recreation Centers, and one Senior Center. A Program of Requirements was completed in September 2006.

OTHER

This project provides for only the design phase. Final construction costs will be determined during the design development stage.

OTHER DISCLOSURES

- A pedestrian impact analysis will be performed during design or is in progress.
- The Executive asserts that this project conforms to the requirements of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.

APPROPRIATION AND EXPENDITURE DATA

Date First Appropriation	FY09	(\$000)
First Cost Estimate		
Current Scope	FY09	975
