2. This resolution appropriates \$8,991,083 for the account titled “Provision for Future Supported Projects”, which provides funds for specific programs designated in a grant, contribution, reimbursement, or other non-county funding source received in FY10. When MCPS receives funds for a program from one of these sources, MCPS may transfer funds from this appropriation to the program. The following conditions are established on the use of this transfer authority:
 - a) The program must not require any present or future County funds.
 - b) Subject to the balance in the account, any amount can be transferred in FY10 for any program which meets at least one of the following four conditions: (1) the amount is \$200,000 or less; (2) the program was funded in FY 2009; (3) the program was included in the FY10 budget; (4) the program was funded by the Council in a supplemental or special appropriation in FY10. Any program that does not meet one of these four conditions must be funded by a supplemental or special appropriation.
 - c) MCPS must notify the Executive and the Council within 30 days after each transfer.
3. Any appropriation authorized in this resolution for any expenditure funded by non-County funds is contingent on the receipt of the non-County funds.
4. This resolution reappropriates or appropriates revenue received from non-County sources for programs funded in whole or in part from those non-County funds:
 - a) together with matching County funds, if any; and
 - b) to the extent that the program period approved by the non-County source encompasses more than one fiscal year, in order to complete the grant program under the terms of receipt of the non-County revenues.
5. This resolution reappropriates the fund balance of the Warehouse account.
6. The Council continues the procedure for transfers adopted in Resolution 12-889. This procedure applies only to the non-County portion of grant programs, and therefore only applies to those grant programs for which MCPS keeps separate accounts for County and non-County funds.
 - a) The Council will not take action on these transfers, so the transfers will be automatically approved after 30 days, as provided by State law.
 - b) MCPS staff must report each transfer to the Executive and the Council within 30 days after the transfer.

7. The following provision applies when MCPS receives more non-County funds than were budgeted for a project that also receives some County funds:
 - a) Council approval is not required to substitute non-County funds for County funds. In this case, there is no change in the appropriation.
 - b) Council approval is required to increase the appropriation. The Council may decide to substitute non-County funds for the County funds instead of increasing the appropriation.
8. This resolution reappropriates encumbered appropriations, permitting them to be spent in FY10. Unencumbered appropriations lapse at the end of FY10 except as reappropriated elsewhere in this resolution.
9. This resolution appropriates \$12,000,000 for pre-funding retiree health insurance consistent with Resolution No. 16-555, which the Council adopted on May 14, 2008. These funds must not be placed in trust before June 30, 2010. Before June 30, 2010, these funds may be transferred, with Council approval, to address any unanticipated revenue shortfall.
10. This resolution appropriates \$79,537,322 for the payment of debt service due in FY10 for the construction of Montgomery County Public Schools facilities.
 - a) Montgomery County Public Schools must make payment for the debt service through the Montgomery County Government as provided in subparagraph 10(c). These funds must not be spent for any other purpose.
 - b) The inclusion of this amount for debt service will be part of the County's Local Appropriation and part of the calculation of the FY11 Local Appropriation required to comply with the State maintenance of effort requirement.
 - c) Reimbursement must occur no less than five days before each applicable debt service payment.

This is a correct copy of Council action.
