DESCRIPTION

Woodstock Equestrian Center, 20207 Darnestown Road, Beallsville, consists of 845 acres on both sides of MD Route 28. The scope of the current project includes an outdoor riding ring, a cross-country course, and a gravel parking lot and site improvements. Additional facilities may be built in future phases.

ESTIMATED SCHEDULE

As of October 2010, Design is underway. There has been a delay in the design of this park. As a result, the expenditure schedule has been shifted out. In an effort to reduce Operating Budget Impacts (OBI) in FY12-14, park opening will be delayed.

JUSTIFICATION

This project preserves open space in the County and provides additional recreational opportunities. A fully developed equestrian center expands the economic impact of the equestrian industry in both the State and County. The equestrian industry contributes in both direct and indirect ways to a majority of Montgomery County's agricultural income.

The Woodstock Equestrian Park Master Plan was approved and adopted by the Montgomery County Planning Board on January 31, 2002.

FISCAL NOTE

FY09 Supplemental Appropriation (\$750,000) to fund current phase of project.

OTHER DISCLOSURES

- A pedestrian impact analysis has been completed for this project.
- M-NCPPC asserts that this project conforms to the requirements of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.
