PROJECT DESCRIPTION

This project funds parkland acquisitions that serve residents in all areas of the County and in all park types. This project covers the cost of land plus acquisition expenses such as land surveys, appraisals, settlement expenses, and other acquisition-related costs. The project also funds expenses to make new parkland safe and secure upon acquisition, e.g. removing attractive nuisances, posting properties, securing or removing structures, cleaning up sites, etc. Acquisitions can include new parks or additions to existing parks. To the extent possible, the Commission acquires parkland through dedication at the time of subdivision; however, to meet all parkland needs in a growing and changing County, this method must be supplemented by a direct land purchase program.

PROJECT JUSTIFICATION

2017 Park, Recreation, and Open Space (PROS) Plan, approved by the Montgomery County Planning Board, adopted area master

plans, and functional master plans guide the parkland acquisition program. This PDF provides latitude to acquire properties consistent with master plans and Commission policies.

DISCLOSURES

Expenditures will continue indefinitely. M-NCPPC asserts that this project conforms to the requirement of relevant local plans, as required by the Maryland Economic Growth, Resource Protection and Planning Act.
