## PROJECT DESCRIPTION

This project will allow the County to consider how a non-congregate shelter space for individuals that experience acute challenges in congregate shelters can add to the County's homeless services system. As part of the project analysis, a program of requirements will be developed and operating and capital costs will be analyzed.

## ESTIMATED SCHEDULE

Program of Requirements (POR) development to take place in FY25.

## PROJECT JUSTIFICATION

Some individuals seek emergency shelter but experience challenges in congregate settings. A facility with noncongregate shelter beds for a smaller number of individuals and on-site supports would improve outcomes for these individuals and improve operations in the County's congregate shelters.

## FISCAL NOTE

The source of funds is a federal grant available from the American Rescue Plan Act. The U.S. Department of Housing and Urban Development (HUD) must approve the proposed use of funds prior to expenditure.

## COORDINATION

Department of Health and Human Services, Department of Housing and Community Affairs, and Department of General Services.
