PROJECT DESCRIPTION

This project provides for replacement of key facility and program components based on their age and condition at Recreation facilities. Improvements may include, but are not limited to, gym bleachers, operable partition walls/curtains, kitchen equipment, building marquees, etc. Many of the Department of Recreation's facilities, along with key facility and program components, have not been updated for a long time and will not be addressed through the Recreation Facilities Refurbishment projects. This project will assist in ensuring that key program equipment/components are replaced.

ESTIMATED SCHEDULE

Each year the department will implement replacement of a backlog of assets as needed based on the priority and condition of the asset.

PROJECT JUSTIFICATION

The existing equipment is in poor condition and does not comply with national guidelines, standards, and regulations. In order to

maintain a safe, useable environment for facility patrons, it is key that equipment be in good repair.

DISCLOSURES

Expenditures will continue indefinitely.

COORDINATION

Department of Recreation and Department of General Services.
