PROJECT DESCRIPTION

This project will provide funds for the emergency replacement of major building components throughout the school system. These funds will allow projects that are in other countywide systemic projects, such as HVAC Replacement, to maintain their schedules when emergency replacements arise. An FY 2023 appropriation was approved for this project. An FY 2024 appropriation was approved to continue this level of effort project. An FY 2025 appropriation was approved for emergency replacement of building components systemwide. As part of the County Council approved FY2025-2030 CIP, additional expenditures were included in the out-years to reflect a level of effort funding through the six-year CIP.

DISCLOSURES

Expenditures will continue indefinitely.
