Re: Agricultural Tire Recycling Collection Program

We are pleased to announce to Montgomery County Farm Bureau members that farmers will have the opportunity to drop off used tires of all sizes at *no charge*. This program is part of Maryland Farm Bureau's service-to-member effort, coordinated with Montgomery County Farm Bureau and state officials at the MD Department of the Environment and Maryland Environmental Services.

The Montgomery County tire drop off event is being hosted by Lonnie Luther at his farm in Damascus. Please bring a copy of this letter with each load of tires you deliver to the drop off location so we can accurately report the number of participants in the program.

If you have any questions, please call Val Connelly or Matt Tefteau at (410) 922-3426 or (410) 269-0656

No limit to number of tires per vehicle.
Passenger, light truck, and agricultural tires
on or off rims accepted.
Commercial Businesses Prohibited.
