Subject: Appointments - Agricultural Advisory Committee

Good morning Jeremy. Please see below the appointment(s) for the **Agricultural Advisory Committee**. The appointment date is 9/13/17 and tentative County Council confirmation date is **9/26/17**. Please keep for your records and membership list. Appointment letters were sent by mail yesterday.

After appointments are confirmed you can find the resolution on the Council's website at

<http://www.montgomerycountymd.gov/council/leg/res/index.html>

On the webpage click "Control F" and type in a keyword from your board's name, and it should take you to the listing for the resolution. Then you can click on the Resolution No. (e.g. 18-***), which should pull up the resolution. The resolution is official when signed and dated. Thank you. -- Beth
