RE: Important Information—Price Adjustments

Dear Ms. Williams:

At Comcast, we are committed to constantly improving our customers' entertainment and communications experience in your community, and we continue to invest in making their services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting January 31, 2014, new prices will apply to select Video and Internet services and equipment as reflected in the enclosed notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to defray the rising costs of retransmitting broadcast television signals. In the past, a portion of these costs (but not all) were included within the basic service rate. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and we want to address these increases through a separate itemized charge so they are clear to the customer.*

We promise to continue to provide our customers with a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 301-917-6949.

Sincerely,

Josh Bokee
Director, Government & Regulatory Affairs

**If a customer was receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as of January 19, 2014, the customer will not be affected by the Broadcast TV Fee during the applicable period.*

Dear Valued Customer,

At Comcast, we are committed to constantly improving your entertainment and communications experience, and we continue to invest in making your services even better. As we make these and other investments, we periodically need to adjust prices due to increases we incur in programming and other business costs. Starting January 31, 2014, or with your next bill statement thereafter, new prices will apply to select Video and Internet services and equipment as reflected in this notice.

Among these price changes, we have itemized a Broadcast TV Fee in order to identify some of the rising costs of retransmitting broadcast television signals. In recent years, the cost of retransmitting broadcast television signals has increased significantly, and going forward we want to address these increasing costs through a separate itemized charge. As we introduce this new Fee in your area, initially there will be a reduction in the Limited Basic TV service rate in the same amount as the Broadcast TV Fee, while other video service tiers will see an increase as provided in the schedule below.*

We promise to continue to provide you a consistently superior experience, including 24/7 customer service, two-hour appointment windows and on-time arrival. We back up our services with the Comcast Customer Guarantee (visit www.comcast.com/guarantee for details).

We know you may have questions about these changes. Feel free to visit us at www.xfinity.com/questions or call us at 800-266-2278. Thank you for choosing Comcast. We value you as a customer, and look forward to continuing to serve you.

**If you were receiving services on a promotional basis, or under a minimum term agreement associated with a specific rate, as of January 19, 2014, you will not be affected by the Broadcast TV Fee during the applicable period.*
