Subject Schedule of Fees for Permits, Licenses and Inspections	Number 9-13
Originating Department Department of Environmental Protection and Department of Permitting Services	Effective Date

Section 1. Road and Right-of-Way Construction

All roadway-construction projects, or any construction activity within the boundaries of a dedicated public right-of-way; including roads, sidewalks/bikeways, curbs, gutters, and drainage systems; require a permit and will be charged a fee by the Department of Permitting Services.

A. General

1. Applications, including applications for revisions, must be accompanied by the permit fee or the filing fee as specified.
2. All remaining fees must be paid prior to any subsequent submission for review or prior to permit issuance, whichever occurs first.
3. The estimated project cost is determined by the Director of the Department of Permitting Services based on average costs submitted on recent County capital-improvement project bids for comparable work.
4. Permit fees are not transferable.
5. The minor plat fee must be paid at the time of application or before the Department initiates reviews.
6. The fee for a revision to a Public Right-of-Way Permit for changes of ownership is the minimum permit fee.
7. The fee for a change of legal description or other administrative revision to a Right of Way Permit after permit issuance is 50% of the minimum permit fee.
8. All fees noted in this regulation are subject to a 10% Automation Enhancement fee per Executive Regulation 5-98.

B. Work in Public Right-of-Way Permit

(For Driveway Permits, roadway Occupancy Permits, Special Use Permits)

The fee is based on 14.930% of the estimated project cost.

Subject Schedule of Fees for Permits, Licenses and Inspections	Number 9-13
Originating Department Department of Environmental Protection and Department of Permitting Services	Effective Date

A non-refundable filing fee of \$135 is required for all Work in Public Right-of-Way Permit applications.

C. Engineered Public Right-of-Way Permits

For the following permit types,

- Roadway grading Permit,
- Paving Permit,
- Storm Drain Permit

the permit fee is calculated as the greater of:

1. Minimum fee \$1,895, or
2. 14.930% of the estimated project cost.

A filing fee must be paid at time of application in the amount of the minimum fee or 30% of the total permit fee whichever is greater. An engineered cost estimate fully detailing estimated project cost based on work proposed by application must be included with the initial revision application.

D. Minor Subdivision Record Plat Review

For review and approval of Subdivision Record Plats created per requirements of Chapter 50 Section 35A for Minor Subdivisions, a non-refundable filing fee of \$500 is due at application.

E. Permit Revisions

The fee for a revision to a Public Right-of-Way permit is:

1. For Work in Public Right of Way Permits, the fee is the greater of:
 - a. Minimum fee of \$135 or
 - b. 14.930% of the estimated revision cost

permit and the payment of an extension fee, the permit may be extended for 6 months. The fee to extend a permit is \$135.00.

Section 7. Indexing of Fees to Labor Cost Increases

The Director of Permitting Services must adjust each fee set in or under this regulation on July 1 of each year by a percentage that does not exceed the rate of the increase (if any) in the department's approved personnel costs for the then-current fiscal year compared to the approved personnel costs for the preceding fiscal year. For fees of \$100 or more, the Director must calculate the revised fee to the nearest five dollars. For fees under \$100, the Director must calculate the revised fee to the nearest dollar.

The Director must publish the amount of this adjustment not later than July 1 of each year.

Section 8. Miscellaneous

Filing fees and permit fees are based on fees in effect on the date the application was filed. All other fees are based on fees in effect at the time the service is requested (revision fee, extension fee, etc.).

A. Responsible Personnel Certification Program
Registration fee for Sediment Control Green Card Training \$ 50

B. Permit Application Revisions
The fee for revisions to permit information after submission by the applicant and prior to permit issuance is \$ 59

C. Refunds

Fee refunds are categorized as follows:

1. Filing fees are not refundable
2. In the case of an abandonment or discontinuance of a project under permit, a refund of up to 50 percent of the fee paid (excluding filing fees) may be granted provided:
 - a. No construction has occurred, and
 - b. A written request for refund is made prior to the expiration date of the permit.
