 2. Distributors - Where can the food be used?
 3. Logistics - What is needed to make a system work?
- 9:55 a.m. Scheduling additional meetings
- 10:00 a.m. Adjourn

* Resolution 17-564 asks the Work Group develop a report on how to create and implement a food recovery network. The Work Group should look at best practices, map existing resources, identify ways to enhance communication among non-profit organizations, service providers, and food suppliers; recommend any legislative changes need to assist in these efforts. Please note the Council is expecting and implementation plan and the Work Group should make recommendations on any assistance that is needed to implement the network.
