

Hello my name is Shaun Lee and I am a junior at Paint Branch High School. I am also a member of the varsity football team. I am asking that you allow us to play football. My coaches and teammates have followed all of the safety precautions that have been put in place. We have done everything in our power to keep football safe. My teammates and I want to have a football season. I have worked very hard over the past year to better myself on the field and in the classroom this season gives me a chance to be seen by college recruiters and earn a college scholarship playing the game I love. Let us play football thank you for your time once again my name is Shaun Lee paint Branch High School varsity football.
