Tom Hucker,

As proprietor of the Olney Ale House and a 68-year resident of Montgomery County I would like to thank you for proposing and lend my support to Bill 44-21.

Due to a kitchen fire and compounded by the Pandemic the Olney Ale House has been temporarily closed. In our efforts to reopen we found a valuable partner in the Montgomery County Green Bank. The professionals at the Green Bank not only provided us with funding but just as importantly their expertise directed us toward new equipment that will service the restaurant more efficiently and be more environmentally friendly for years to come.

It is my hope that the entire County Council will support the Bill. The Montgomery County Green Bank is a valuable resource and should be a model for other counties within our State.

Sincerely,

John Roach
Proprietor
