To Whom It May Concern

I am pleased to be writing a letter in support of the proposal Pediatric Mobile Medical Vehicle given to Casa Ruben, Inc. I strongly support this grant application that focus on provide comprehensive primary care, vaccinations, referrals to behavioral health care, and HIV and GBLTQ care predominately to low-income people, immigrants, and families of color.

Casa Ruben, Inc has support low income community by given vaccinations, physical, and sick visit during Pandemic and they continue support community that has been forgotten.

Please consider this letter in support the proposal of Pediatric Mobile Medical Vehicle by Casa Ruben, Inc. In advance thank you for your support and time.
