To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

My child is a patient at Casa Ruben Inc. and they have treated us with great care. My child needs a lot of assistance and Dr. Peralta helped us find more ways to support our son since it is not easy having a child with a medical condition.

Sincerely,

Raul Vigil
