To Montgomery County Council Public Hearing March 29, 2022:

Re: Casa Ruben Inc. Pediatric Mobile Medical Vehicle

I fully support the approval of Montgomery Council funding for Casa Ruben, Inc. The Foundation and Montgomery County would create a public-private initiative to use a mobile medical clinic to connect uninsured, under-insured, and under-resourced children and youth (ages 0-21 years) to healthcare and vaccinations.

My two young children are patient of Dr. Peralta, and I am happy with the service they have provided my family. My children are uninsured, and have recently arrived from another country and the clinic has been able to assist me medically and I am beyond grateful.

Sincerely,

Douglas Cruz
