

I am the President of Montgomery County Muslim Foundation (MCMF). I ask for your support for the Cost Sharing Grant of \$400,000 for MCMF. MCMF is a nonprofit that has been serving the residents of Montgomery County since 2008. We currently have 14 existing programs that include monthly food pantry, youth leadership, senior support and women empowerment programs. MCMF is currently leasing 3110 sq ft of space at 811 Russell Ave, Suite G, Gaithersburg MD 20879 which is not sufficient to continue the existing programs. MCMF needs at-least 10,000 sq ft space to continue to serve the community. MCMF plans to buy a 10,302 sq ft of space in the building that it is currently located in. MCMF has the bond bill of \$600,000 from the General Assembly and cost of the 10,302 sq ft space is \$1.150,000. MCMF plans to raise the rest of the money from the community.
