Dear County Council,

Thank you for the opportunity to testify in support of the County Executive's recommended CIP, especially his proposal for \$1 million in the upcoming FY25 and \$2.5 million in FY26 for the long-expected relocation of the MCPS bus depot located on Crabbs Branch Way. My family lives at WestSide Shady Grove across the street from the bus depot and we have been negatively impacted by the traffic and pollution that the depot causes. In addition, we have no access to green spaces nearby and would love to see the Jeremiah park initiative come to fruition.

I urge the Council to support this recommendation to advance its own approved plan for the Shady Grove Sector. Moreover, I'll remind the Council that 800+ individuals have signed our community's MoveOn petition urging them, along with the County Executive and MCPS, to get the plan finally done: <https://sign.moveon.org/petitions/derwood-deserves-betternow>.

Your support of the County Executive's recommended CIP is therefore essential, as is the County Executive's continued commitment to completing this project in cooperation with MCPS.

Thank you,

Ana Coelho
