Dear Mr. Karasik:

This is in reference to the Landfill Gas Monitoring Plan dated February 2009 (amended April 2, 2009) for the Gude Sanitary Landfill, which was received by the Maryland Department of the Environment (the "Department") on April 3, 2009, and the subsequent e-mail correspondence between the Department and Stephen Lezinski on April 15, 2009. The Department has reviewed and hereby approves the plan pursuant to the inclusion of the additional landfill gas monitoring wells as referenced in the email.

Please submit an updated site location map once the proposed landfill gas monitoring wells have been installed. The Department appreciates your cooperation in this important matter. If there are any questions regarding this matter, please contact Mr. Andrew Grenzer, Project Manager, at (410) 537-3318.

Sincerely,
