

**Gude Landfill Remediation
Gude Landfill Concerned Citizens
Monthly Meeting No. 46
January 18, 2018**

Meeting Agenda

1. Meeting Sign-In Sheet

- a. Please, sign-in.

2. GLCC/DEP Meeting Minutes (Meeting No. 45 on 8/17/2017)

- a. Electronically transmitted and GLCC approved the minutes.

3. Updates on Design Engineer RFP

- a. Guest Speaker – Andrew Kays, Deputy Director at the Northeast Maryland Waste Disposal Authority (NMWDA), will announce the selected firm for the Remediation Project Design Engineer and introduce the staff of the selected firm. Mr. Kays will also make a brief presentation on the procurement process for the Design Engineer.
- b. Guest Speaker(s) – Selected Design Engineer firm. The Design Engineer will review their project work plan.

4. Landfill Gas-to-Energy System and Perimeter Gas Monitoring

- a. Rao Malladi will provide a brief updated on the gas-to-energy facility, flare station operation, perimeter gas monitoring, and other related issues.

5. Landfill Site Maintenance and Groundwater Monitoring

- a. At this time, routine site maintenance activities are on-going and there are no issues to report.
- b. An updated Groundwater and Surface Water Monitoring Plan will be submitted to in January 2018.
- c. The Semi-Annual groundwater sampling is scheduled for March 2018.

6. Monthly GLCC Meetings and On-going Communication with the Community

- a. The monthly meeting dates for the remainder of the Calendar Year 2018 will be sent electronically in the MS Outlook format. It was agreed that the meetings would be held on 3rd Thursday of the month at 7:00 PM at the Transfer Station, unless otherwise notified.
- b. Per the Design Engineer contract, the selected firm will attend various GLCC Monthly Meetings as well as other project-related meetings with the County and the Community. Notification will be provided for these specific meetings as they are scheduled in the future.

7. Open Action and Follow-Up Items

- a. At this time, there are no Open Action items.

8. Summarize New Action Items from the Meeting

9. Next Meeting

- a. February 15, 2018 at 7:00 PM at the Transfer Station.
- b. Guest Speaker – Mr. Tim Cupples, Montgomery County DOT, who manages the Purple Line project. He will discuss the logistics of delivering and stockpiling soil that is excavated from the Purple Line project construction sites to the Gude Landfill for use during the capping construction.
