

Teen Volunteer Commitment to Personal Safety and Responsibility

In order to be a responsible volunteer and to protect my safety and well being, I _____, agree to the following things when I volunteer at a Montgomery County Recycling Volunteer Program event:

- Be on time and report to the staff person/lead volunteer coordinating the event when I arrive.
- Tell the staff coordinator/lead volunteer when I leave the Recycling Program table for a break and agree to return by a particular time.
- Return to the table at the time I agreed to and inform the staff coordinator/lead volunteer that I have returned.
- Accept full responsibility for my behavior when I am away from the Recycling Program table.

I also understand that if I do not arrive within thirty (30) minutes of my designated start time, do not return to the table at the time I have agreed to, or violate any County policy, the staff coordinator/lead volunteer will call my parent/guardian at the phone number listed below, and have me picked up immediately.
