Lessor shall be responsible for obtaining all applicable permits, licenses, inspections and approvals required for construction of, renovations to, and improvement to the Demised Premises, and shall deliver to State copies of all necessary permits, licenses, inspections and approvals prior to taking any action requiring such permits, licenses, inspections and approvals.

The Lessor shall be responsible for and assume all liability in connection with any public hearings conducted in connection with the issuance of any permit, license or other governmental approval.

Commencement and Occupancy.

7.1 Rent Abatement. Notwithstanding any other provision of this Lease, the Tenant Improvements required under this Lease shall be completed before Lessee's occupancy shall begin. In the event the Demised Premises are not completed on the date specified within this Lease, the rent provided for herein and Lessee's obligations pursuant to this Lease shall abate until the Demised Premises are fully occupied by the Lessee or until 10 business days after inspection and acceptance by the Department of General Services, whichever event shall first occur. In order to allow Lessee sufficient time to schedule and conduct an inspection of the Demised Premises, for the purpose of full or partial occupancy, Lessor shall give Lessee written notice that the Demised Premises have been completed and all required use or occupancy permits have been obtained. Lessee shall have 10 business days after receipt of Lessor's written notice to conduct its inspection of the Demised Premises.

7.2 Partial Occupancy. Lessee may, prior to completion of the renovations, occupy any portion of the Demised Premises mutually agreed upon by Lessor and Lessee. Rent payable during such partial occupancy shall be paid proportionately to the area occupied by the Lessee and the rent payable shall be adjusted to the actual term of such partial occupancy.

7.3 Occupancy. Occupancy is the date Lessee begins operating from the Demised Premises. Storage of furniture or equipment in the Demised Premises as may be mutually agreed upon by Lessor and Lessee shall not constitute "constructive occupancy" or acceptance of the space by the Lessee.

7.4 Supplemental Commencement Date. Regardless of the date specified at the outset of the Lease, the initial term of this Lease shall commence on the date the Demised Premises are fully occupied and shall terminate at the end of the length of time specified for the Term. If the term of this lease would begin and/or end other than on the first day of the month, Lessee shall pay proportionate rent at the same monthly rate set forth in this Lease for such partial month and all other terms and conditions of this Lease shall be in force and effect during such partial month. If the Commencement Date is altered as a result of this provision, the specific Commencement Date of this Lease shall be established by Supplemental Lease hereto.

7.5 Building Rules and Regulations. The Lessee, its agents and employees shall comply, to the extent authorized by applicable law, with reasonable building rules and regulations approved in advance by Office of Real Estate, Department of General Services. The Lessor may modify these rules and regulations from time to time, but such changes must first be approved by the Procurement Officer for leasing, Office of Real Estate, Department of General Services. To effect a change, the Lessor shall submit the rule or regulation change to the Procurement Officer for approval. Upon approval, the Procurement Officer shall, by letter, notify each of the parties to the Lease and the change shall become effective upon the date of the Procurement Officer's letter. Whenever any rule shall conflict with the provisions of this Lease, the Lease provision shall prevail.

Repairs and Maintenance.

8.1 Damage or Defects. Lessee, upon discovery, shall give to Lessor prompt written notice of any accidents or damage to, or defects in, the roof, the exterior of the building, plumbing, electrical service, electric lights, or HVAC apparatus. These defects and/or damage shall be remedied by Lessor, including any costs incurred and associated with the movement of Lessee's machinery, equipment, furniture and fixtures, if such moving is required to remedy the defect. It is understood by the parties that this does not impose an obligation upon the Lessee to inspect the building for accidents, damage or defects nor hold the Lessee liable for failure to do so.

8.2 Lessor's Responsibility for Repairs. All repairs to the Demised Premises including repairs to the exterior of the Building, no matter how caused are to be made and paid for by the Lessor, including any costs incurred and associated with the movement of Lessee's machinery, equipment, furniture and fixtures, if such moving is required to make the repairs.

8.3 Lessee's Responsibility for Repairs. The Lessee shall only be responsible for the financial reimbursement to the Lessor of the actual costs for repairs made by the Lessor or its agent to the Demised Premises caused by the negligence of the Lessee, its agents, employees or invitees. Lessor shall provide to the Lessee copies of the actual invoices for work caused by the negligence of the Lessee, its agents, employees or invitees. Notwithstanding anything to the contrary, Lessee's liability for the reimbursement of said costs shall be contingent upon Lessor obtaining written approval of costs from Department of General Services Office of Real Estate (DGS) prior to the commencement of any work.

8.4 Failure to Repair. In the event the Lessor fails to a) replace promptly any broken item; b) make necessary repairs; or c) maintain the Building and Property as herein provided for, the Lessee is herewith empowered and authorized, but not obligated to, after written notice has been given the Lessor, to make all necessary repairs or perform the required maintenance, charging the Lessor for the making of such repairs or performing said maintenance and deducting the cost thereof from any subsequent payment or payments of Rent due under the terms of the Lease or by such other legal process it might elect. In the event Lessor fails to repair or perform maintenance and Lessee elects not to repair or perform the maintenance, DGS, on behalf of the Lessee, shall have the right to withhold (abate) payment of Rent until such time as Lessor completes said repairs or maintenance in a manner satisfactory to DGS Office of Real Estate.

8.5 Fire Evacuation Plan. The Lessor agrees to maintain and post a current fire evacuation plan approved by the Fire Department for the Building, and to work with the Lessee in appointing floor fire captains to implement the evacuation plan.

8.6 Regular Maintenance Inspections. The Lessor shall designate an authorized representative and agrees to conduct regular maintenance inspections with the Lessee's designee, or also with such frequency as Lessee shall request. The inspections shall identify concerns and problems by the Lessee. The Lessor shall respond in writing within ten (10) days following said inspection detailing action plans and completion times. Both the Lessor and Lessee shall provide points of contact with telephone, facsimile numbers, and e-mail addresses to each other and to DGS Office of Real Estate. At the election of DGS Office of Real Estate, failure to perform said inspections shall result in the forfeiture of escalation payments.

8.7 Building Performance Standards. The Lessor guarantees that the Demised Premises, common areas and other portions of the Property over which Lessor has control comply in all respects with the following, as may be amended from time to time: (a) the provisions of the Public Safety Article, Title 12, Subtitle 5 of the Annotated Code of Maryland (Maryland Building Performance Standards); (b) The Americans with Disabilities Act of 1990 (42 United States Code, Section 12101, et seq.); and (c) the Occupational Safety and Health Standards of the State of Maryland and the United States, including but not limited to the presence of friable asbestos or other hazardous materials or chemicals; and (d) the codes and standards as delineated in the General Performance Standards and Specifications for State of Maryland Leased Facilities. If Lessor has knowledge or is notified that other lessees in or on the Property/Building are not in compliance with these laws, Lessor shall take such action as is necessary to insure proper compliance.

8.8 Non-Compliance with Building Performance Standards. Should either the Lessor or Lessee be cited for any non-compliance or violation of any Act, Code or standards set forth or referenced in this Lease, the Lessor shall at its own expense by the date specified by such citation, correct all violations which are not specifically concerned with the placement or physical characteristics of the Lessee's furniture or equipment or which are not directly attributable to the negligence of the Lessee, its employees, or invitees.

Alterations by Lessee.

9.1 Alterations by Lessee. Lessee shall not make any alterations, additions, or improvements without Lessor's written consent, which consent shall not be unreasonably withheld, conditioned, or delayed, and all alterations, additions or improvements made by either of the parties hereto upon the Demised Premises shall be the property of the Lessor and shall remain upon and be surrendered with the Demised Premises at the termination of this Lease, provided, however, that the Lessee shall have the privilege of installing any signs, furniture, fixtures, or machinery necessary in the conduct of its business and these same shall remain the property of the said Lessee, and may be removed by the Lessee during its tenancy.

9.2 Signs. Lessee may install such signs as it wishes within the Demised Premises without permission to do so from the Lessor. Lessee may also install such signs outside of the Demised Premises at locations and of such size as the Lessor may approve, in accordance with local regulations regarding exterior signage.

9.3 Lines and Wiring. Lessee may install lines or special wiring for telephones and other electronic or communications equipment necessary in the conduct of its business and these shall remain the property of the Lessee, and may be realigned, maintained or removed at the sole option of the Lessee during its tenancy or upon expiration or termination of the Lease. The Lessee, at its sole option, shall have the right to abandon in place any wiring or other electronic or communication equipment installed and shall not be required to remove it upon the expiration of the Lease.

9.4 Furniture and Equipment. Any violations cited which are specifically concerned with the placement or physical characteristics of the Lessee's furniture or equipment or which are directly attributable to the negligence of the Lessee, its employees, or invitees, shall be corrected by the Lessee by the date specified in the citation. The Lessor shall not withhold permission for the moving of any heavy furniture or equipment owned by Lessee for which, under the provisions of this Lease, the Lessor has reserved the right to direct placement if the original placement is cited as a violation of the above act, but the Lessor may, for such furniture or equipment, direct the new location.

Casualty.

10.1 Lessor's Obligation to Repair and Reconstruct. If the Demised Premises are damaged by fire or other casualty (the "Casualty") during the Term, Lessor, at its expense, shall restore the Demised Premises with reasonable promptness but in no event later than 90 days after the date of the Casualty to substantially the same condition of the Demised Premises immediately before such Casualty, and may temporarily enter and possess any or all of the Demised Premises for such purpose. The times for commencement and completion of any such restoration shall be extended for a period not to exceed 60 days if any delays are caused by an event or circumstance beyond Lessor's reasonable control. If such restoration is not accomplished within the 90 day period and any extension period, Lessee may terminate this Lease by giving Notice to Lessor within 30 days after the expiration of such period or extension. If such Notice is given, the rights and obligations of the parties shall cease as of the date of the Casualty and the Rent shall be adjusted as of the date of the Casualty.

10.2 Rent Abatement. As long as Lessee is prohibited from the use of any or all of the Demised Premises on account of such Casualty, the Rent and any other obligations of the Lessee shall be abated in proportion to the usable area of the Demised Premises that are rendered substantially unfit for occupancy by such Casualty, unless, in Lessee's sole judgment, such Casualty renders the undamaged part of the Demised Premises materially unsuitable for use by Lessee for the uses contemplated by this Lease, in which event the Rent shall be abated entirely during such period of non-use.

10.3 Destruction/Damage to the Building. Anything in this Section to the contrary notwithstanding, if it is determined by either party that the Building is so damaged by Casualty that either the Demised Premises or (whether or not the Demised Premises are damaged) the Building is rendered substantially unfit for occupancy and the Lessor will be unable to restore the Demised Premises within 90 days after such Casualty, then either party may elect to

terminate this Lease as of the date of the Casualty by giving Notice thereof to the other party within 30 days after such Casualty. If such Notice is given, the rights and obligations of the parties shall cease as of the date of the Casualty and the Rent shall be adjusted as of the Casualty.

10.4 Emergency Plan(s). The Lessor is required to participate in and comply with the development and implementation of Lessee's "Continuity of Operations Plans" (COOP). The COOP Plan(s) shall include, among other things, emergency notification procedures of the Lessor's building engineer or manager, building security, local emergency personnel, and DGS ORE personnel.

Utilities.

11.1 Continuity of Utilities and Service. Lessor guarantees that the Demised Premises shall continually have heat, electricity, air conditioning, telephone access and plumbing available for use by Lessee. It is hereby understood and agreed that the heating and air conditioning systems will be kept under a uniform and systematic program of service and repair as prescribed according to manufacturer specifications, and as set forth in Exhibit H HVAC/Mechanical Equipment Minimum Requirements, attached hereto, solely at the Lessor's expense. If the existing heating and air conditioning systems are inadequate to provide a consistent degree of comfort, Lessor shall, at its own expense, replace or modify the system to assure consistent comfortable temperatures, as further defined in the Lease Standards made a part of this Lease.

11.2 Provision of Utilities and Service. All utilities and services (excluding telephone and communications) shall be provided and paid for by the Lessor unless otherwise set forth in this Lease.

11.3 Failure of Utilities or Service. Lessor shall not be liable for any failure to supply utilities or services not due to negligence on the Lessor's part.

11.4 Payment for Overtime Usage of Utilities. Payment for overtime usage of utilities, if applicable, shall be made only for Units which consistently and continuously utilize the Demised Premises or a portion of the Demised Premises for a minimum of a 30 day period beyond the standard operational hours. The Lessor must notify DGS Office of Real Estate in advance and in writing of the indication that Lessee's usage may incur overtime utility usage charges. Overtime electric usage payment, if approved, shall be made on an annual basis submitted in the same manner and along with utility escalation billings and value established as follows: Net Usable Square Feet of space within the Demised Premises being utilized for overtime purposes divided by the total Net Usable Square Feet of the Demised Premises. The percentage shall be applied to the actual utility billing for each month of overtime utility usage.

Environmental Matters.

12.1 Compliance with Laws. Lessor shall comply, at its sole cost and expense, with the Comprehensive Environmental Response, Compensation and Liability Act 1980, 42 U.S.C. §9601 et seq., as amended, the Resource Conservation and Recovery Act 42 U.S.C. §6901, et seq., as amended, the Toxic Substance Control Act, 15 U.S.C. §2601, et seq., as amended, the Clean Water Act, 33 U.S.C. §1251, et seq., their respective State of Maryland statutes, including but not limited to, Title 7 of the Environment Article, Annotated Code of Maryland, "Hazardous Materials and Hazardous Substances", and any other, Federal, State, or local statute, law, ordinance, resolution, code, rule, regulation, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning Hazardous Material, as defined below (the "Environmental Laws").

The Lessor hereby represents and warrants that: (i) Lessor has not placed, held, stored, or disposed of any Hazardous Material on, in, under or near the Demised Premises or the Property; (ii) to the best of its knowledge, Lessor's past or present tenants have not placed, held, stored, or disposed of any Hazardous Material on, in, under or near the Demised Premises or the Property; (iii) to the best of its knowledge, no Hazardous Material of any kind, or storage tanks, have been deposited, stored, treated, disposed of, managed, generated, manufactured, produced, released, emitted or discharged on, in, under or near the Demised Premises or the Property; (iv) no governmental or private suite, action or proceeding to allege, enforce or impose liability under or pursuant to any Environmental Laws have been instituted or threatened concerning the Demised Premises or the Property; and (v) no lien has been created under any applicable Environmental Laws.

If, due to its own fault or negligence, Lessor does not have the Demised Premises available for use by Lessee on the date specified in this Agreement, Lessor agrees to pay damages to Lessee in an amount equal to the Rent for the Demised Premises during the period that the Demised Premises are unavailable to the Lessee, and in addition the Rent due from Lessee and any other obligations to be performed by Lessee shall be abated until occupancy.

Termination.

16.1 Termination and Extension. This Lease and the tenancy hereby created shall cease and terminate at the end of the Original Term or any Renewal Term or other extension, without the necessity of any further notice from either the Lessor or the Lessee to terminate the same and that continued occupancy of the Demised Premises by the Lessee after the expiration of said term shall not operate to renew the said Lease for said term or any part thereof or render the Lessee liable for double Rent. Notwithstanding the foregoing, the Lessee reserves the absolute right to extend the term of the Lease for a period not to exceed six (6) months. In the event of such extension by the Lessee, the Lessee shall be and remain liable to the Lessor for Rent for the Demised Premises for the time the same are actually occupied by the Lessee, said Rent to be at the monthly rate required of Lessee during the immediate preceding term prior to the beginning of the extended term; but nothing herein shall confer upon the Lessee any right to remain on the Demised Premises beyond six (6) months after termination of the Original Term or the immediately preceding Renewal Term, except with the consent of the Lessor.

The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Lessor shall, at the Lessee's option, become the Lessee's property. The Lessee shall pay the Lessor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Lessor's breach.
