I am writing to express interest in renewing my lease/license agreement between Montgomery County, Maryland and Potomac Hollow Farm, LLC.

I would like to continue the agreement made May 15, 2017 by extending for an additional 1-year term as per our original license agreement. This agreement includes the barn and small surrounding area located at the county-owned property of 19815 Martinsburg Road, Dickerson, MD 20842. (Described as Parcel P330 on Tax Map BU42) All previous terms of the agreement are acceptable to continue moving forward.

Use of this barn is solely for the purpose of hay and equipment storage.

Thank you for your consideration.
