**NOTICE OF DRAINAGE IMPROVEMENT PROJECT
AT 9112 FALLS BRIDGE LANE**

Dear Resident:

This letter is to inform you of the upcoming storm drainage improvement project in your neighborhood. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of modifying the existing drainage swale and installing stone rip-rap to prevent soil erosion and to assure positive drainage at 9112 Falls Bridge Lane.

The work will be performed under contract by D & F Construction Co., Inc. and will include: Excavating the existing storm drain and grass drainage swale, and installing stones (rip-rap) in the swale to slow storm water outfall. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the modifications and during construction activities.

This project will require approximately three weeks to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. Parking will be restricted within the work zone during daily construction activities. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

DOT Project Manager:	Mr. Yisa Adegun, Hwy. Insp. II	240-777-7641
Project Contractor:	D & F Construction Co., Inc.	301-990-0008

You may also wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/> or by dialing 3-1-1 (240-777-0311 if outside Montgomery County).

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. If we can assist you in any way, please feel free to contact us.

Sincerely,

Yisa Adegun
Project Manager
