Director

**NOTICE OF DRAINAGE PROJECT ON
SECOND AVENUE**

Dear Resident:

This letter is to inform you of the upcoming storm drain installation project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of installing a storm drain inlet at 9302 2nd Avenue, between Stratton Road and Rookwood Road.

The work will be performed by the Division of Highway Services and will include: Excavation of asphalt pavement and curb and gutter in front of 9302 2nd Avenue, and installation of a new drainage pipe and storm drain inlet to restore proper drainage. The new pipe will be connected to the existing storm drainage infrastructure. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drain repairs and during construction activities.

This project is scheduled to start on or about October 28, 2013, and will require approximately seven to ten days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures within the construction work zone. We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
